NEWS RELEASE

February 13th, 2019

CUV Ventures Corp. Confirms No Material Change

Vancouver, BC – CUV Ventures Corp. (TSX-V: CUV) (the “Company”) Vancouver, BC – (the “Company”) At the request of IIROC, wishes to confirm that it is not aware of any material corporate development, material news or undisclosed material change to the Corporation or its operations that would account for the recent increase in stock market activity.

While the company cannot identify any specific motive for today’s market trading, shareholders are aware, based upon previous news releases, dating back to November 2018 and, subsequent months, of numerous verticals of the company that were destined to reach various stages of development during the month of February 2019. The advent of these previously announced verticals and, the ongoing beta testing or pre-launches, allied to upcoming and, previously disclosed PSD2 license related matters, allude to the only hypothetical explanation that could culminate in the outcome of today’s increased market activity.
