

Stamper Oil & Gas Closes Private Placement Common Unit Offering

VANCOUVER, British Columbia, Sept. 29, 2017 -- **Stamper Oil & Gas Corp.** (TSX-V:STMP) (FSE:TMP2) (OTCQB:STMGF) ("**Stamper**" or "**the Company**"), is pleased to announce that it has closed its previously announced private placement offering (the "**Common Unit Offering**") raising gross proceeds of \$385,000 that will support expansion of the company's development plans.

Pursuant to the Common Unit Offering, the Company issued a total of 962,500 units (the "**Units**") at a price of \$0.40 per Unit. Each Common Unit will consist of one (1) common share in the capital of the Company and one (1) common share purchase warrant (each "**Warrant**"). Each Warrant will entitle the holder to acquire one (1) additional common share in the capital of the Company (each "**Warrant Share**") at an exercise price of \$0.75 per Warrant Share for a period of twenty four (24) months from the date of issuance or September 29, 2019; however, if the closing sales price of the Company's common shares (or the closing bid, if no sales were reported on a trading day) as quoted on the TSX Venture Exchange ("**TSX.V**") (or such other securities exchange, quotation system or market on which such common shares are listed and where a majority of the trading volume of such common shares occurs) is \$1.25 or greater for a period of ten (10) consecutive trading days, the Company may, within five days of such event, provide notice by way of press release to the subscribers of early expiry, and thereafter the Warrants shall expire on that date which is thirty (30) days from the date such notice is given (the "**Acceleration Clause**").

In connection with the Offering, the Company paid a cash finder's fee, to certain arm's length finders (the "**Finder**"), equal to eight (8%) percent of the gross proceeds raised under the Offering from purchasers introduced to the Company by each Finder. In addition, the Company intends to issue non-transferable warrants ("**Finder Warrants**") in the capital of the Corporation equal to eight (8%) percent of the total number of Common Units sold under the Offering. The Finder Warrants are exercisable by each Finder at a price of \$0.75 for a period of twenty four (24) months from closing of the Offering. The Finder's Warrants will have same terms as outlined in the Common Unit Offering.

All of the Units, including the underlying securities thereof, and the Finder Warrants, including the underlying securities thereof, issued in connection with the Offering will be subject to a four month and one day hold in accordance with Canadian securities laws.

Closing of the Offering is subject to customary conditions, including the acceptance of the TSX Venture Exchange.

The Company intends to use the proceeds of the Common Unit Offering for general corporate and administrative purposes.

About Stamper Oil & Gas

Stamper Oil & Gas Corp. is a publicly traded junior development stage international oil and gas company. The Company is engaged in the acquisition, exploration and evaluation of conventional and unconventional oil and natural gas properties with the current focus on Africa and Latin America.
