I, JOSEPH ANTHONY KIZIS, JR, consulting geologist with a business address of 4790 Caughlin Parkway, # 207, Reno, Nevada 89519-0907, HEREBY CERTIFY THAT:

1. I am a graduate of Kent State University, Ohio, with a B.S. degree in Geology (1974) and of the University of Colorado, Colorado, with a M.S. degree in Geology (1979).
2. From 1974 to present I have been actively employed in various capacities in the mining industry at numerous locations in North and South America.
3. I personally conducted fieldwork at the East Manhattan prospect between 2007 and 2008, totaling approximately 4 days, and have been engaged by Rio Fortuna Exploration (U.S.), Inc. to complete this report, entitled **Geologic Report for the East Manhattan Project, Nye County, Nevada** (dated October 20, 2008), and make recommendations for further work at the property.
4. To the best of my knowledge, information and belief, this technical report contains all scientific and technical information that is required to be disclosed to make the technical report not misleading.
5. I am a Director and President of Rio Fortuna and its parent company, with a contract to provide geologic and managerial services to the Company.
6. I hold no personal interest in the property, but I am an officer of Rio Fortuna; therefore, I am not independent of Rio Fortuna as defined in Section 1.4 of National Instrument 43-101.
7. I am a Professional Geologist, registered with the State of Wyoming (PG-2576) since 1997.
8. I am a Qualified Person for the purposes of National Instrument 43-101. I have read and understand the terms of National Instrument 43-101 and Form 43-101F1, and have submitted this report with the intention of complying with these documents.
9. I approve of this report being used for any lawful purposes as may be required by Rio Fortuna and its affiliates.

DATED in Reno, Nevada this 20th day of October 2008.
