BNN BLOOMBERG IDENTIFIES INDIVA AS RAPIDLY GROWING IN THE CANNABIS SECTOR

LONDON, ON – Friday, February 15th, 2019: Indiva Limited (the "**Company**" or "**Indiva**") (TSX:NDVA) (US:NDVAF): On BNN Bloomberg this Saturday February 16 and Sunday February 17, 2019 - BTV- Business Television visits five distinctive companies in the rapidly growing cannabis sector.

One of the companies identified is Indiva and the episode features our commitment to the edibles market through the upcoming release of a line of chocolates and cannabis-infused sugar and salt products.

Further, President and CEO Niel Marotta discusses Indiva's current lineup of dried flower and pre-rolls, which will soon be available through the Ontario Cannabis Store, as well as the eventual introduction of gel capsules and oil tinctures. Indiva's segment can be seen here: See Feature

BTV is a half-hour weekly investment program, which profiles emerging companies across Canada and the US to bring investors information for their portfolio. With Hosts Taylor Thoen and Jessica Katrichak, BTV interviews experts, top analysts, plus features companies at their location giving investors an insightful business perspective.

About Indiva

Indiva aims to become a house of global marijuana brands, recognized for high quality cannabis products. Indiva's wholly owned subsidiary is licensed under the Cannabis Act. As marijuana laws liberalize in Canada and internationally, Indiva will expand its product offering to include safe edibles and other client-friendly cannabis products. In Canada, Indiva will produce and distribute Ruby Cannabis Sugar, Sapphire Salt, Ruby Gems, as well as award winning Bhang Chocolate and other derivative products through license agreements and joint-ventures respectively. In addition, as marijuana laws liberalize internationally, Indiva will use its Canadian operations as a platform to open new markets for its cannabis products.

DISCLAIMER & READER ADVISORY

Neither the TSX Venture Exchange nor its Regulation Services Provider (as that term is defined in the policies of the TSX Venture Exchange) has in any way passed upon the merits of the Transaction and neither of the foregoing entities accepts responsibility for the adequacy or accuracy of this release or has in any way approved or disapproved of the contents of this press release.

Certain statements contained in this press release constitute forward-looking information. These statements relate to future events or future performance. The use of any of the words "could", "intend", "expect", "believe", "will", "projected", "estimated" and similar expressions and statements relating to matters that are not historical facts are intended to identify forward-looking information and are based on the parties' current belief or assumptions as to the outcome and timing of such future events. Actual future results may differ materially. In particular, this release contains forward-looking information relating to TSX Venture Exchange approval of the transactions contemplated herein, future international expansion, future product offerings, future entry into additional markets, changes to laws and regulations in Canada and internationally, and compliance with applicable regulations. Various assumptions or factors are typically applied in drawing conclusions or making the forecasts or projections set out in forward-looking information. Those assumptions and factors are based on information currently available to the parties. The material factors and assumptions include the parties being able to obtain the necessary corporate, regulatory and other third parties approvals; licensing and other risks associated with regulated ACMPR entities; and completion of satisfactory due diligence. The forward looking information contained in this release is made as of the date hereof and the parties are not obligated to update or revise any forward looking information, whether as a result of new information, future events or otherwise, except as required by applicable securities laws. Because of the risks, uncertainties and assumptions contained herein, investors should not place undue reliance on forward looking information. The foregoing statements expressly qualify any forward-looking information contained herein.

This press release does not constitute an offer to sell or a solicitation of an offer to buy any of the securities in the United States. The securities have not been and will not be registered under the United States Securities Act of 1933, as amended (the "U.S. Securities Act") or any state securities laws and may not be offered or sold within the United States or to U.S. Persons unless registered under the U.S. Securities Act and applicable state securities laws or an exemption from such registration is available. Not for distribution to U.S. Newswire Services or for dissemination in the United States. Any failure to comply with this restriction may constitute a violation of U.S. Securities laws.
