FOR IMMEDIATE RELEASE

INDIVA SHIPS WANA™ SOUR GUMMIES TO ALBERTA, SASKATCHEWAN, AND YUKON TERRITORY

Wana™ Sour Gummies Now Available in Four Provinces and One Territory

LONDON, Ontario – September 30, 2020: Indiva Limited (TSXV:NDVA) (OTCQX:NDVAF), the parent company of Indiva Inc. (the "Company" or "Indiva"), a leading Canadian producer of cannabis edibles and other cannabis products, is pleased to announce that the first three flavours of Wana™ Sour Gummies have shipped to Alberta, Saskatchewan, and Yukon Territory. *Mango Sativa* (5 mg THC per gummie), *Watermelon Hybrid* (5 mg THC per gummie)*, and Strawberry Lemonade 1:1* (5 mg THC, 5 mg CBD per gummie) are expected to be in stores this week.

"We're thrilled to have shipped Wana™ Sour Gummies to Alberta, Saskatchewan, and Yukon Territory, increasing Wana™'s presence to four provinces and one territory," said Niel Marotta, President and Chief Executive Officer of Indiva. "In less than a month since Wana™ Sour Gummies were launched, we've seen a steady growth in popularity for these vegan and gluten-free cannabis edibles. Of-age Canadians across the country are experiencing first-hand why Wana™ Brands is the No. 1 edibles brand in the United States."

Wana™ Sour Gummies are made with pectin, not gelatin, which gives the gummies a great texture in addition to making them vegan. All gummies are handcrafted using a shelf-stable recipe so they won't melt. Following the first three flavours that have been released, the Company intends to bring these additional flavours to market later in 2020:

- Blueberry Indica (5 mg THC per gummie)
- Strawberry 10:1 (10 mg CBD, 1 mg THC per gummie)
- Japanese Citrus Yuzu 2:1 (10 mg CBD, 5 mg THC per gummie)
- Pomegranate Blueberry Acai 5:1 (25 mg CBD, 5 mg THC per gummie)

Wana™ Brands is the No. 1 edibles brand in the United States, with more dollars sold than any other brand, according to BDSA 2019 Brand Share Report.

ABOUT INDIVA

Indiva sets the standard for quality and innovation in cannabis. As a Canadian licensed producer, Indiva creates premium pre-rolls, flower, capsules, and edible products and provides production and manufacturing services to peer entities. In Canada, Indiva produces and distributes the award-winning Bhang® Chocolate, Wana™ Sour Gummies, Ruby® Cannabis Sugar, Sapphire™ Cannabis Salt, Artisan Batch, and other *Powered by INDIVA™* products through license agreements and partnerships. ABOUT WANA™ BRANDS

Included in the 2020 Inc. 5000 list at #2,074 and boasting a three-year growth rate of 203%, Wana Brands is the No. 1 edibles brand in the United States, with more dollars sold than any other brand, according to BDS Analytics 2019 Brand Share Report. Wana leads the industry in quality, consistency and potency, providing a range of different options that enable customers to create the specific cannabis experience they want. Wana products offer diverse product forms including edibles, vapes, and extended-release capsules, four different CBD/THC ratios as well as a variety of different dosages, onset times and duration of effects. The portfolio is designed so products can be used singly or in combination to address specific health, wellness, and recreational needs. Wana products are available in Colorado, California, Illinois, Michigan, Ohio, Maryland, Arizona, Oregon and Oklahoma dispensaries, with Massachusetts, Missouri and Florida among the states imminently coming online. Wana Brands is available internationally in Canada. For more information or to subscribe to Wana's e-newsletter, visit www.wanabrands.com. Follow Wana on LinkedIn, Twitter, YouTube and Pinterest.
