General

Neither the TSX Venture Exchange nor its Regulation Services Provider (as that term is defined in the policies of the TSX Venture Exchange) has in any way passed upon the merits of the contents of this news release and neither of the foregoing entities accepts responsibility for the adequacy or accuracy of this news release or has in any way approved or disapproved of the contents of this news release.

Certain statements contained in this news release constitute forward-looking information. These statements relate to future events or future performance. The use of any of the words "could", "intend", "expect", "believe", "will", "projected", "estimated" and similar expressions and statements relating to matters that are not historical facts are intended to identify forward-looking information and are based on the parties' current belief or assumptions as to the outcome and timing of such future events. Actual future results may differ materially. In particular, this news release contains forward-looking information relating to the proposed telephone conference call expected to be held by the Company on May 19, 2022. Various assumptions or factors are typically applied in drawing conclusions or making the forecasts or projections set out in forward-looking information. Those assumptions and factors are based on information currently available to the Company. The forward-looking information contained in this news release is made as of the date hereof and the Company is not obligated to, and does not undertake to, update or revise any forward-looking information, whether as a result of new information, future events or otherwise, except as required by applicable securities laws. Because of the risks, uncertainties and assumptions inherent in forward-looking information, investors should not place undue reliance on forward looking information. The foregoing statements expressly qualify any forward-looking information contained herein.
