Item 3 News Release

The news releases disclosing the material change were disseminated on June 22, 2015 by FSCwire.

Item 4 Summary of Material Change

Midway will seek ancillary relief in Canada pursuant to the *Companies’ Creditors Arrangement Act* in the Supreme Court of British Columbia in Vancouver, BC, Canada.

Also on June 22, 2015, the Company announced the receipt of notice from the NYSE MKT LLC (the “NYSE MKT”) indicating that the NYSE MKT has suspended the Company’s common stock from trading immediately and determined to commence proceedings to delist the Company’s common stock pursuant to Section 1003(c)(iii) of the NYSE MKT LLC Company Guide. Also on the same date, the Toronto Stock Exchange (“TSX”) suspended the Company’s common stock from trading immediately while the TSX reviews the Company’s continued eligibility for listing under the TSX’s Expedited Review Process.

Also effective on the same date, the Chairman of the Board of Directors of the Company, Timothy J. Haddon, resigned from the Board of Directors.

Item 5 Full Description of Material Change

5.1 Full Description of Material Change

The Company announced that it and the Debtors will file voluntary petitions for relief under chapter 11 of the *Bankruptcy Code* in the Bankruptcy Court. Midway will seek ancillary relief in Canada pursuant to the *Companies’ Creditors Arrangement Act* in the Supreme Court of British Columbia in Vancouver, BC, Canada.

The Company intends to restructure its business by attempting to sell non-core assets and resolving various challenges relating to Midway's main asset, the Pan Mine project. The Debtors believe that additional time and resources are necessary to successfully maximizing value at the Pan mine. In its restructuring, Midway will be able to explore alternatives to strengthen the company, while addressing the challenges Midway has faced.

Midway will continue to operate its business as a "debtor in possession" under the jurisdiction of the Bankruptcy Court and in accordance with the applicable provisions of the *Bankruptcy Code* and the orders of the Bankruptcy Court.

The Company and its lenders have negotiated terms that should allow for the consensual use of the Company's cash which will allow the Company to maintain business-as-usual operations during the restructuring process. The Company believes its current and anticipated cash resources will be sufficient to pay its ongoing expenses and maintain its business operations during the pendency of its chapter 11 cases.

The Company will file customary "First Day Motions" with the Bankruptcy Court, which, if granted, will help ensure a smooth transition to chapter 11. The motions are expected to be addressed promptly by the Bankruptcy Court.

Also on June 22, 2015, the Company announced the receipt of notice from the NYSE MKT indicating that the NYSE MKT has suspended the Company's common stock from trading immediately and determined to commence proceedings to delist the Company's common stock pursuant to Section 1003(c)(iii) of the NYSE MKT LLC Company Guide. The NYSE MKT's determination was based on the previously disclosed Chapter 11 bankruptcy filings by the Company and certain of its domestic direct and indirect subsidiaries. Also on the same date, the TSX suspended the Company's common stock from trading immediately while the TSX reviews the Company's continued eligibility for listing under the TSX's Expedited Review Process. The suspension and possible delisting are based on the Chapter 11 bankruptcy filings of the Company and certain of its direct and indirect subsidiaries, the Company's financial condition and/or operating results, and whether the Company has adequate working capital and appropriate capital structure. A hearing to decide whether to delist the Company's securities from the TSX was scheduled for June 25, 2015.

The Company does not intend to take any further action to appeal these decisions, and therefore it is expected that the common stock will be delisted from both the NYSE MKT and the TSX following completion of their proceedings.

Also effective on the same date, the Chairman of the Board of Directors of the Company, Timothy J. Haddon, resigned from the Board of Directors for personal reasons.

Item 1.03. Bankruptcy or Receivership

On June 22, 2015, Midway Gold Corp., a British Columbia corporation (the “**Registrant**”), and certain of its subsidiaries and affiliates, including, MDW Pan LLP, Midway Gold US Inc., MDW Pan Holding Corp., MDW-GR Holding Corp., MDW Mine ULC, GEH (BC) Holding Inc., GEH (US) Holding Inc., Midway Services Company, MDW Gold Rock LLP, RR Exploration LLC, Nevada Talon LLC, Midway Gold Realty LLC and Golden Eagle Holding Inc. (collectively, the “**Subsidiaries**” and together with the Registrant, the “**Debtors**”), filed voluntary petitions for relief under chapter 11 of title 11 of the United States Code (the “**Bankruptcy Code**”) in the United States Bankruptcy Court for the District of Colorado (the “Bankruptcy Court”, and the filings therein, the “**Chapter 11 Filings**”). The Debtors are seeking Bankruptcy Court authorization to administer the chapter 11 cases (the “**Chapter 11 Cases**”) under the caption “*In re Midway Gold US Inc., et al*.” Case No. [15-___]. The Debtors will continue to manage their properties and operate their businesses under the jurisdiction of the Bankruptcy Court and in accordance with the applicable provisions of the Bankruptcy Code and the orders of the Bankruptcy Court. The Registrant, MDW Mine ULC and GEH (BC) Holding Inc., each incorporated in British Columbia, are Debtors in the Chapter 11 Cases. In addition, Midway Gold US Inc., in its capacity as the proposed Foreign Representative, will seek ancillary relief in Canada on behalf of all Debtors, pursuant to the Companies' Creditors Arrangement Act (Canada) R.S.C. 1985, c. C-36, as amended (the “**CCAA**”) in the Supreme Court of British Columbia (the “**Canadian Court**”) in Vancouver, British Columbia, Canada. The purpose of the ancillary proceeding is to request that the Canadian Court recognize the Chapter 11 Cases as “foreign main proceedings” under the applicable provisions of the CCAA in order to, among other things, protect the Debtors' assets and operations in Canada.

Item 2.04 Triggering Events that Accelerate or Increase Direct Financial Obligation or an Obligation under an Off-Balance Sheet Arrangement.

The Debtors' Chapter 11 Filings described in Item 1.03 above constitute an event of default that accelerated obligations of the Debtors under the following:

Commonwealth Bank of Australia

MDW Pan LLP, as borrower (“**MDW**”), under a credit agreement (as amended, the “**Credit Agreement**”) with Commonwealth Bank of Australia (“**CBA**”) and a group of initial lenders named in the Credit Agreement for the purpose of establishing an aggregate $53 million senior secured credit facility consisting of, (i) a $45 million project finance facility (“**Project Finance Facility**”) and (ii) a $10 million cost overrun facility (the “**Overrun Facility**” together with the Project Finance Facility is collectively referred to herein as, the “**Debt Facilities**”). The Debt Facilities are secured by substantially all of the assets of the Debtors, including MDW, which consists solely of the Debtors' Pan gold project (the “**Project**”).

The Registrant and certain of its subsidiaries entered into a guaranty (the “**Guaranty**”) in favor of CBA, as administrative and collateral agent, whereby the Registrant and certain of its subsidiaries absolutely, unconditionally and irrevocably guaranteed the punctual performance and payment when due of all obligations of MDW under the Project Finance Facility.

The Registrant and certain of its subsidiaries entered into a security agreement (the “**CBA Security Agreement**”) by and between CBA, MDW, the Registrant and certain of its subsidiaries as grantors, pursuant to which the grantors granted to CBA for the benefit of the Secured Parties (as defined in the Credit Agreement) a security interest in the grantors' right, title and interest in and the collateral identified in the CBA Security Agreement.

Midway Gold US Inc., MDW Pan Holding Corp., MDW-GR Holding Corp., MDW Mine ULC, GEH (BC) Holding Inc., Midway Gold Corp. and GEH (US) Holding Inc. each entered into pledge agreements (each a “**CBA Pledge Agreement**”) as pledgor for the benefit of CBA. Pursuant to the CBA Pledge Agreements, each pledgor agreed to grant CBA a security interest in the equity interests in the pledgor except MDW.

Hale Capital Partners, L.P., *et al.*

MDW, as borrower, under a subordinated credit agreement (the “**HCP Credit Agreement**”) by and among MDW, Hale Capital Partners, L.P. (“**HCP**”), as administrative agent and collateral agent, HCP-MID, LLC, as a lender, and INV-MID, LLC, as a lender, for the purpose of establishing a subordinated secured non-revolving term credit facility in favor of MDW in the aggregate amount of $10,500,000 ("**Subordinated Debt Facility**").

The Registrant and certain of its subsidiaries entered into a guaranty (the "**HCP Guaranty**") in favor of HCP, as administrative and collateral agent, whereby the Registrant and certain of its subsidiaries (collectively, the "**Guarantors**") absolutely, unconditionally and irrevocably guaranteed the punctual performance and payment when due of all obligations of MDW under the Subordinated Debt Facility.

The Registrant and certain of its subsidiaries entered into a subordination agreement (the "**Subordination Agreement**") by and between HCP, CBA, the Registrant and certain of its subsidiaries pursuant to which each of the Obligors (as defined in the Subordination Agreement), covenants and agrees that the payment of any and all of the Junior Debt (as defined in the Subordination Agreement) is subordinate and subject in right of payment to the prior full payment of the Senior Debt (as defined in the Subordination Agreement).

The Registrant and certain of its subsidiaries entered into a security agreement (the "**HCP Security Agreement**") and certain pledge agreements (each, a "**HCP Pledge Agreement**"), subject at all times to the Subordination Agreement, each of the Grantors (as defined in Security Agreement) granted to HCP for the benefit of the Secured Parties (as defined in the HCP Credit Agreement) a security interest in each Grantor's right, title and interest in and the collateral identified in the HCP Security Agreement.

The Debtors believe any efforts to enforce such payment obligations under the Credit Agreement and the HCP Credit Agreement (together, the "**Debt Documents**") are automatically stayed as a result of the Chapter 11 Filings and the creditors' rights of enforcement in respect of the Debt Documents are subject to applicable provisions of the Bankruptcy Code.

The Registrant has previously filed Current Reports on Form 8-K containing descriptions of the obligations and exhibits containing copies of agreements described in this Item 1.03 of this Current Report on Form 8-K on Form 8-K filed on July 24, 2014, October 8, 2014, December 3, 2014, April 21, 2015 and May 26, 2015. The description of the obligations and agreements contained in this Item 1.03 is a summary of the material terms of such obligations and agreements, and the description is qualified in its entirety by reference to the full text of the referenced agreements previously filed as Exhibits.
