Dear Sirs/Mesdames:

Re: Western Energy Services Corp. - Final Short Form Prospectus dated March 21, 2011

We refer to the short form prospectus of Western Energy Services Corp. (the "Corporation") dated March 21, 2011, qualifying the distribution of up to 221,375,000 common shares in the capital of the Corporation.

We consent to the use, through incorporation by reference, in the above-mentioned short form prospectus, of our report dated April 21, 2009 to the shareholders of the Corporation on the following financial statements:

- a. Consolidated balance sheets of Western Energy Services Corp. as at December 31, 2008 and 2007; and,
- b. Consolidated statements of operations and deficit and cash flows for the years then ended.

We consent to the use, through incorporation by reference, in the above-mentioned short form prospectus, of our report dated February 15, 2010 to the directors of Cedar Creek Drilling Ltd. on the following financial statements:

- a. Revised balance sheets of Cedar Creek Drilling Ltd. as at April 30, 2009 and 2008; and,
- b. Revised statements of earnings and comprehensive income, retained earnings and cash flows for the years then ended.

We report that we have read the short form prospectus and have no reason to believe that there are any misrepresentations in the information contained therein that are derived from the consolidated financial statements upon which we have reported or that are within our knowledge as a result of our audit of such consolidated financial statements.

This letter is provided solely for the purpose of assisting the securities regulatory authorities to which it is addressed in discharging their responsibilities and should not be used for any other purpose. Any use that a third party makes of this letter, or any reliance or decisions made based on it, are the responsibility of such third parties. We accept no responsibility for loss or damages, if any, suffered by any third party as a result of decisions made or actions taken based on this letter.

Yours truly,
