Statutory Filings

Dear Madams:

Enclosed is the filing for the International Sales Information Systems Inc. news release dated July 6, 2000.

I hope you will forgive it's lateness – my excuse being that I am new to the position here. I am learning my various duties and the filing procedures but I missed the 10 day period for filing News Releases for our July 6<sup>th</sup> release.

Again, I ask that you forgive this late filing and note that it is my intention that I not miss the filing deadline again.

Sincerely,

*“Leanne Letson”*
