Apex Resources Appoints Ralph Gonzalez to its Board of Directors

July 26, 2017, Vancouver, BC - Apex Resources Inc. ("Apex" or the "Company") (TSXV: APX); is pleased to announce that the Company's board has appointed Ralph Gonzalez as a director of the company.

Mr. Gonzalez has a long and distinguished career in exploration in over 30 countries in North, Central, and South America, Central and Eastern Asia and in Africa. During his career of more than 40 years, he has mixed worldwide mineral exploration and resource evaluation with several years of mineral production and management; in this business, this mixture of exploration and production is considered to be very rare.

Mr. Gonzalez holds a MSc degree in geology from the University of New Mexico, U.S.A. and is a registered Life Member as a professional engineer in Manitoba and as a professional geologist in British Columbia.

In addition, he sits on the Advisory Board with the New Mexico Institute of Mining and Technology in Socorro, New Mexico and is an active mentor for students in the School of Mineral Engineering and the Department of Geology and Environmental Sciences.

For further information on the Company's projects, visit www.apxresources.com.

Arthur G. Troup, P.Eng., Geological
President and CEO

This release was prepared by Apex's management. Neither TSX Venture Exchange nor its Regulation Services Provider (as the term is defined in the policies of the TSX Venture Exchange) accepts responsibility for the adequacy or accuracy of this release. This news release includes certain statements that may be deemed "forward-looking statements." All statements in this release, other than statements of historical facts, that address future production, reserve potential, exploration drilling, exploitation activities and events or developments that Apex expects are forward-looking statements. Although Apex believes the expectations expressed in such forward-looking statements are based on reasonable assumptions, such statements are not guarantees of future performance and actual results or developments may differ materially from those in the forward-looking statements. Factors that could cause actual results to differ materially from those in forward-looking statements include market prices, exploitation and exploration successes, and continued availability of capital and financing, and general economic, market or business conditions. Investors are cautioned that any such statements are not guarantees of future performance and those actual results or developments may differ materially from those projected in the forward-looking statements. For more information on Apex, investors should review Apex's filings that are available at www.sedar.com or Apex's website at www.apxresources.com.
