About Apex Resources Inc.

Apex is a Vancouver-based exploration company with a suite of precious and critical minerals projects and historic mines located in the United States and Canada.

The Jersey-Emerald Property encompasses the historic Jersey Lead-Zinc Mine - British Columbia's second largest historic zinc mine, and the Emerald Tungsten Mine - Canada's second largest historic tungsten mine, both located in southern British Columbia. The Lithium Creek Project is Apex's flagship project with placer claims covering hundreds of square miles within the aerially extensive Fernley, Humboldt, and Carson Sinks, and includes widespread naturally flowing lithium brine groundwater. The Lithium Creek Project is strategically located near the City of Reno and within 40 minutes of the principal North American battery hub, hosting the Tesla Gigafactory and other key industry players in the Lithium Ion battery supply chain.
