

RAVENQUEST ENGAGES LINK MEDIA LLC TO PROVIDE MARKET AWARENESS TO THE USA MARKET

NR18-27

October 5, 2018

FOR IMMEDIATE RELEASE...Vancouver, British Columbia: RavenQuest BioMed Inc. (the “Company” or “RavenQuest”) – (CSE: RQB OTCQB: RVVQF Frankfurt: 1IT) RavenQuest BioMed Inc. has retained Link Media LLC to provide communications and market awareness services aimed at maintaining and building the profile of the Company among existing and potential shareholders.

Link Media will arrange and disseminate independent third-party research articles. The Company will retain editorial control of any materials that are published to ensure that information is consistent with the Company’s public disclosure filings.

Link Media is an arm’s-length service provider to the Company and will be paid \$150,000 in consideration for the provision of services to the Company. To the knowledge of the Company, Link Media does not own any of the Company’s securities.

“Our organization recognizes the importance of sharing our unique story with the investing public throughout the United States and has engaged Link Media to this end. We are committed to sharing information about our Company in a factual, prudent and realistic manner which is consistent with our in-house corporate messaging. It’s important for us to remain transparent in our marketing activities and ensure any third-party medium delivers our message in an appropriate manner. We will do just that for the duration of our engagement with Link Media” said George Robinson, CEO of the Company.

About RavenQuest BioMed Inc.

RavenQuest BioMed Inc. is a diversified publicly traded cannabis company with divisions focused upon cannabis production, management services & consulting and specialized research & development. RavenQuest is a licensed producer with facilities located in Markham, Ontario and Edmonton, Alberta. RavenQuest maintains a research partnership with Montreal’s McGill University focused upon cultivar (strain) recognition, plant stabilization and yield maximization of the cannabis plant. The Company focuses on partnerships with Indigenous communities.

Cautionary Note Regarding Forward-Looking Statements

All statements in this press release, other than statements of historical fact, are “forward-looking information” with respect to the Company within the meaning of applicable securities laws, including statements with respect to the publishing and distribution of information on behalf of the Company. The Company provides forward-looking statements for the purpose of conveying information about current expectations and plans relating to the future and readers are cautioned that such statements may not be appropriate for other purposes. By its nature, this information is subject to inherent risks and uncertainties that may be general or specific and which give rise to the possibility that expectations, forecasts, predictions, projections or conclusions will not prove to be accurate, that assumptions may not be correct and that objectives, strategic goals and priorities will not be achieved. These risks and uncertainties include but are not limited to those identified and reported in the Company’s public filings under the Company’s SEDAR profile at www.sedar.com. Although the Company has attempted to identify important factors that could cause actual actions, events or results to differ materially from those described in forward-looking information, there may be other factors that cause actions, events or results not to be as anticipated, estimated or intended. There can be no assurance that such information will prove to be accurate as actual results and future events could differ materially from those anticipated in such statements. The Company disclaims any intention or obligation to update or revise any forward-looking information, whether as a result of new information, future events or otherwise unless required by law.
