

88% OF SMALL BUSINESS OWNERS HAVE POSITIVE OUTLOOK FOR 2023

Latest State of Small Business Survey from IOU Financial also reveals stronger-than-expected performance in 2022, positive current state and decreased concerns about the future.

ATLANTA, Jan. 18, 2023 /CNW/ - **IOU FINANCIAL INC.** ("IOU" or "the Company") (TSXV: IOU), a leading online lender to small businesses ([IOUFinancial.com](https://www.IOUFinancial.com)), published today their *January 2023 State of Small Business Survey* revealing a positive outlook for small business in 2023.

Highlights from the responses provided by small business owners include:

- 64% reported that their business performed better than expected in the 2nd half of 2022;
- 85% rate their current state of business "positive" or "very positively";
- 88% expect their business performance to improve in the 1st half of 2023;
- Concerns about inflation, recession, staffing, consumer demand and public health have all decreased since July 2022;
- 61% "definitely" and 27% will "maybe" invest in their business in the 1st half of 2023.

"The resilience and optimism of small business owners is a source of inspiration to us," said Carl Brabander, EVP Strategy of IOU Financial. "IOU Financial is proud to fuel the growth plans of small business owners at a time when there are so many mixed messages being promoted in the media."

IOU's latest *State of Small Business Survey* is based on the responses of 175 small business owners provided in December 2022, providing a margin of error of 7% with a confidence level of 95%.

Forward Looking Statements

Certain information set forth in this news release may contain forward-looking statements. Forward looking statements are statements, other than statements of historical fact, that address or discuss activities, events or developments that IOU expects or anticipates may occur in the future. These forward looking statements can be identified by the use of words and phrases such as "anticipates", "believes", "estimates", "expects", "may", "plans", "projects", "should", "will", "intends", "seeks", "allows", "creates a path for", "puts in a position to" or the negative thereof or other variations thereon. These forward-looking statements are subject to and involve substantial known and unknown risks and uncertainties, certain of which are beyond the control of IOU, including, but not limited to, the impact of general economic conditions, industry conditions, dependence upon regulatory and shareholder approvals, the uncertainty of obtaining additional financing, risks related to the Company's incapacity to execute on its business plan, dependence on third-party service providers, competition, dependence on key personnel, security and confidentiality risk, technological development risk, IT disruptions, maintenance of client relationships, and litigation risk. No assurance can be given that any of the events anticipated by such statements will occur or, if they do occur, what benefit IOU will derive from them. Readers are cautioned that the assumptions used in the preparation of such information, although considered reasonable at the time of preparation, may prove to be imprecise and, as such, undue reliance should not be placed on forward-looking statements. IOU does not assume any obligation to update or revise its forward-looking statements, whether as a result of new information, future events, or otherwise. Additional information concerning these and other factors can be found beginning on page 20 under the heading "Risks and Uncertainties" in IOU's management's discussion and analysis dated November 18, 2022, which is available under IOU's profile on SEDAR at www.sedar.com.

Neither TSX Venture Exchange nor its Regulation Services Provider (as that term is defined in policies of the TSX Venture Exchange) accepts responsibility for the adequacy or accuracy of this release.
