Dear Sir/Madam,

The undersigned is responsible for preparing or supervising the preparation of all Sections 4 of the “NI 43-101 TECHNICAL REPORT for the Mineral Resources Estimation Of the Miller Project, Grenville Quebec”, with an effective date of January 20, 2017 and issued on January 26, 2017 (the “Report”) for Canada Carbon Inc.

Pursuant to Section 8.3 of National Instrument 43-101 - Standards of Disclosure for Mineral Projects, this letter constitutes the consent of the undersigned to the public filing of the Technical Reports and, to extracts from or summaries of, the Technical Report being filed.

The undersigned hereby confirms that the undersigned has read the Press Release and that it fairly and accurately represents the information in the Technical Report that supports the Press Release. The undersigned do not have any reason to believe that there are any misrepresentations in the information contained in the Press Release that were derived from the Technical Report, or that are within the undersigned knowledge as a result of the services which the undersigned performed in connection with the Technical Report.
