

Arcland Announces Richard Goodwin as President

Vancouver, British Columbia – (May 18, 2021) – Arcland Resources Inc. (the "**Company**" or "**Arcland**") (TSXV: ADR) is pleased to announce the appointment of their President, Richard Goodwin effective on May 17, 2021.

Arcland's CEO, Ted Posey commented, "We are very pleased to have Richard join our team with his depth of valuable technical and hands on experience in the mining industry, which will help us lead the Company through its next phases."

Mr. Goodwin is a senior mining professional with 35 years of experience in the mining industry with seven years of executive management experience including the position of President and COO of Fire River Gold Corp. (2010-2012) a producing gold company, Vice President of Mining and COO for Redcorp Ventures Ltd. (2006-2009), a mining company constructing a \$250,000,000 mine build project and Vice President of Mining for Yukon Zinc Corp. (2005-2006), a mining company that built a \$400,000,000 mine build project. Most recently, he has worked as an independent executive consultant for the last eight years providing due diligence, study management, and operational enhancement audits. He also has over ten years of project management and principal consulting experience at senior geological and engineering consulting firms, participating in over 50 studies, and has over 10 years of hands-on operational experience as a project engineer, mining engineer, and geotechnical engineer. He holds a B.Sc. in Mining Engineering from the University of British Columbia and is a registered professional engineer in the Province of British Columbia and Yukon.

Neither the TSX Venture Exchange nor its Regulation Services Provider (as that term is defined in the policies of the TSX Venture Exchange) accepts responsibility for the adequacy or accuracy of this press release.
