News Release: Stanford International Bank Ltd. Assets Frozen

Dated: February 20th, 2009

Management has learned that the assets of Stanford International Bank Ltd. have been frozen. The Company has approximately CDN \$180,000 invested in Certificates of Deposit with Stanford International Bank Ltd. and is currently unable to access those funds. Management does not expect a speedy resolution of this situation and has therefore commenced to source replacement funds as part of a larger financing currently under way. The Company does not anticipate that its operations will be materially affected by this situation. The Company will announce further developments as they occur.

Adroit Resources is a mineral exploration company that is currently exploring for Gold, Silver and Antimony in Central Italy and diamonds, precious and base metals in the Temagami and Bancroft areas of Ontario, Canada and oil and gas in Texas, USA. In addition, Adroit is seeking new precious and base metal projects and oil and gas prospects to add to its expanding portfolio. The Company's issued and outstanding share capital is 49,596,537 common shares.
