RedChip has been engaged for an initial term of six months, at a rate of $5,000 USD per month. In connection with the engagement, the Company has also granted RedChip 250,000 incentive stock options. The options are exercisable at a price of $0.18 CAD for a period of twelve months, and vest quarterly over a twelve month period in accordance with the policies of the TSX Venture Exchange.

## About iMetal Resources Inc.

A Canadian based junior exploration company focused on the exploration and development of its portfolio of resource properties in Ontario and Quebec. iMetal is focused on advancing its 100% owned Gowganda West Project that borders the Juby Project, an advanced exploration-stage gold project located within the Shining Tree area in the southern part of the Abitibi greenstone belt about 100 km south-southeast of the Timmins gold camp.

The Company is also evaluating development of its 100% owned Ghost Mountain property that consists of seven claim units (eleven square kilometers) of land, straddling the gold-prolific Destor-Porcupine Structure in Kirkland Lake, Ontario. This property is located a couple kilometres west of Kirkland Lake Gold's, Holt and Holloway Mine and the Destor-Porcupine gold camp has historically produced over 70 million ounces of gold.
