

Certificate of Qualified Person

I, GERHARD JACOB, HEREBY CERTIFY THAT:

- 1) I am a consulting geologist retained by New Pacific Metals Corp., ("Company") having an address at 1378-200 Granville Street, Vancouver, BC, V6C 1S4;
- 2) this certificate applies to this technical report titled as "*New Pacific Metals Corp. NI 43-101 Technical Report Skukum Creek, Wheaton River, Yukon, Canada 60°10'N, 135°20'W*" dated June 17, 2011 (the "Technical Report");
- 3) I am a "qualified person" for the purposes of National Instrument 43-101 (the "Instrument") of the Technical Report. My qualifications are as follows: I am a graduate of the Georg August Universitaet, Fakultaet Geologie und Palaeontologie (now Fakultaet fuer Geowissenschaften und Geologie) Georg -August Universitaet of Goettingen, Germany. Since 2008, I have been a European Geologist with the professional association "European Federation of Geologists EFG" (Reg.# 783) and hold the title of EurGeol. Since 1994, I have been registered as a Professional Geologist with the "Berufsverband Deutscher Geowissenschaftler" ("BDG") in Germany. I have worked as a geologist since my graduation in 1988. I have worked as a registered professional geologist (BDG) since 2002;
- 4) my most recent inspection of the property as set out in the Technical Report was for the past 30 days, since the snowmelt in spring 2011;
- 5) I am responsible for the contents of the Technical Report;
- 6) I am not "independent" of the Company as that term is defined in the Instrument;
- 7) I have worked on the property as set out in the Technical Report as a geologist since July 2010;
- 8) I have read the Instrument and the Technical Report has been prepared in compliance with this Instrument; and
- 9) that, as of the date of the certificate, to the best of my knowledge, information and belief, the Technical Report contains all scientific and technical information that is required to be disclosed to make the Technical Report not misleading.

Dated June 17, 2011

"Gerhard Jacob"

Gerhard Jacob, Diplom Geologe, (M.Sc.), EurGeol., BDG
