

NEWPORT RECEIVES AUD\$438,725 (GROSS)/AUD\$307,108 (NET) QUARTERLY ROYALTY PAYMENT

Trading Symbol: NWX (TSX-V)

VANCOUVER, BC, May 29, 2026 /CNW/ - Newport Exploration Ltd ("Newport" or "the Company") reports the receipt of its after tax 2.5% Gross Overriding Royalty ("GOR") payment from Beach Energy Ltd. ("Beach") for the February – April 2026 quarter. Gross royalty income for the quarter was AUD\$438,725. The AUD\$307,108 payment received by Newport is net of 30% Australian withholding tax (AUD\$131,617).

Company Financial Status

Newport has approximately CDN\$3.0 million in its Treasury, comprised of cash, cash equivalents and short-term investments, and has no debt.

About Newport

Newport has a 2.5% GOR over licences in the Cooper Basin, Australia, operated by Beach. There is no time limit or expiry date on the GOR assets, and no cost to the Company to retain them.

Newport has no control over operating decisions made by Beach. Accordingly, this prevents the Company from commenting on Beach's operating plans going forward. The Company recommends that shareholders and potential investors access material information relevant to the Company as released independently by Beach and Santos Ltd to keep current during exploration, development and potential production of all the licences subject to the Company's GOR. Readers are cautioned that Beach discloses production results in compliance with Australian public disclosure rules which may not be equivalent to disclosure obligations under NI 51-101 - Standards of Disclosure for Oil and Gas Activities and the COGE Handbook, or other requirements of Canadian securities legislation.

The Company currently has 105,579,874 common shares issued and outstanding.

Cautionary Statement on Forward-Looking Information

This news release is intended to provide readers with a reasonable basis for assessing the future performance of the Company. The words "believe", "should", "could", "expect", "anticipate", "contemplate", "target", "plan", "intends", "continue", "budget", "estimate", "may", "will", "schedule" and similar expressions identify forward-looking statements. Forward-looking statements may pertain to assumptions regarding the price of oil and fluctuations in currency markets (specifically the Australian dollar) and future dividend payments. Forward-looking statements are based upon a

number of estimates and assumptions that, which are considered reasonable by the Company, are inherently subject to business, economic and competitive uncertainties and contingencies. Factors include, but are not limited to, the risk of fluctuations in the assumed prices of oil, the risk of changes in government legislation including the risk of obtaining necessary licences and permits, taxation, controls, regulations and political or economic developments in Canada, Australia or other countries in which the Company carries or may carry on business in the future, risks associated with developmental activities, the speculative nature of exploration and development, and assumed quantities or grades of reserves. Readers are cautioned that forward-looking statements are not guarantees of future performance. There can be no assurance that such statements will prove to be accurate and actual results and future events could differ materially from those acknowledged in such statements.

The Company disclaims any intention or obligation to update or revise any forward-looking statements whether as a result of new information, future events or otherwise, except to the extent required by applicable laws.
