Mr. Ian Rozier, President and CEO of Sennen Resources Ltd. The purchase by Anglo and Mitsui is subject to the approval of the Foreign Investment Review Board and the Department of Natural Resources and Mines ('DNR&M'), together with the registration of transfers by the DNR&M and the Environmental Protection Authority into the names of the nominated subsidiaries of Anglo and Mitsui. Sennen is obligated to obtain the approval and registration of transfers from the DNR&M and the withdrawal of an MDLA over the Collingwood Coal project prior to settlement.

In the event Sennen has completed all of its obligations in a timely manner and Anglo and Mitsui do not complete the purchase of the Collingwood and Ownaview coal tenants by June 30th, 2007, they will be liable to pay a 'break fee' of AUS$200,000.

The acquisition of Collingwood and Ownaview by Anglo and Mitsui will add to their presence in the Surat Basin where they already hold the Taroom coal deposit in the same area.

"With the potential cost of continued evaluation as well as the time and cost to progress these two coal deposits to development, we considered the sale of the projects to be in the best interest of shareholders," stated Ian Rozier, President and CEO of Sennen.
