Definitions

“highest trading marketplace” means

- (a) the marketplace on which the highest volume in Canada of the class or series was traded in the previous financial year and which discloses regularly the prices at which those securities have traded,
- (b) if the class or series was not traded in the previous financial year on a marketplace in Canada, the marketplace on which the highest volume in the United States of America of the class or series was traded in the previous financial year and which discloses regularly the prices at which those securities have traded, or
- (c) if the class or series was not traded in the previous financial year on a marketplace in Canada or the United States of America, the marketplace on which the highest volume of the class or series was traded in the previous financial year and which discloses regularly the prices at which those securities have traded;

“specified trading period” means, in respect of a reporting issuer's financial year, each period that is an interim period in the financial year and the period commencing on the first day of the financial year and ending on the last day of the financial year;
