MANAGEMENT INFORMATION CIRCULAR

(As at March 16, 2026, except as indicated)

This information circular is furnished in connection with the solicitation of proxies by the management of **CLYDESDALE RESOURCES INC.** (the “**Corporation**”) for use at the annual general meeting (the “**Meeting**”) of the Corporation to be held on April 23, 2026, and at any adjournments thereof. The solicitation will be conducted by mail and may be supplemented by telephone or other personal contact to be made without special compensation by officers and employees of the Corporation. The costs of solicitation will be borne by the Corporation.

APPOINTMENT OF PROXYHOLDER

The purpose of a proxy is to designate persons who will vote the proxy on a shareholder’s behalf in accordance with the instructions given by the shareholder in the proxy. The persons whose names are printed in the enclosed form of proxy for the Meeting are officers or directors of the Corporation (the “**Management Proxyholders**”).

A shareholder has the right to appoint a person other than a Management Proxyholder to represent the shareholder at the Meeting by striking out the names of the Management Proxyholders and by inserting the desired person’s name in the blank space provided or by executing a proxy in a form similar to the enclosed form. A proxyholder need not be a shareholder.

VOTING BY PROXY

Only registered shareholders or duly appointed proxyholders are permitted to vote at the Meeting. Voting at the meeting will be by a show of hands, each shareholder having one vote, unless a poll is requested or required in accordance with the Corporation’s By-laws or the *Business Corporations Act* (British Columbia), in which case each shareholder is entitled to one vote for each share held.

Common shares of the Corporation (the “**Common Shares**”) represented by properly executed proxies in the accompanying form will be voted or withheld from voting on each respective matter in accordance with the instructions of the shareholder on any ballot that may be called for.

If a shareholder does not specify a choice and the shareholder has appointed one of the Management Proxyholders as proxyholder, the Management Proxyholder will vote in favour of the matters specified in the Notice of Meeting and in favour of all other matters proposed by management at the Meeting.

The enclosed form of proxy also confers discretionary authority upon the person named therein as proxyholder with respect to amendments or variations to matters identified in the Notice of the Meeting and with respect to other matters which may properly come before the Meeting. At the date of this Information Circular, management of the Corporation knows of no such amendments, variations or other matters to come before the Meeting.

COMPLETION AND RETURN OF PROXY

Completed forms of proxy must be deposited at the office of Endeavor Trust Corporation, either at its office at Suite 702, 777 Hornby Street, Vancouver BC V6Z 1S4, Attention: Proxy Department, or by facsimile transmission to (604) 559-8908, not later than forty-eight (48) hours, excluding Saturdays, Sundays and holidays, prior to the time of the Meeting, unless the Chairman of the Meeting elects to exercise his discretion to accept proxies received subsequently.

NON-REGISTERED HOLDERS

Only shareholders whose names appear on the records of the Corporation as the registered holders of shares

or duly appointed proxyholders are permitted to vote at the Meeting. Most shareholders of the Corporation are “non-registered” shareholders (“**Non-Registered Shareholders**”) because the shares they own are not registered in their names but instead registered in the name of a nominee such as a brokerage firm through which they purchased the shares; bank, trust company, trustee or administrator of self-administered RRSPs, RRIFs, RESPs and similar plans; or clearing agency such as The Canadian Depository for Securities Limited. If you purchased your shares through a broker, you are likely a Non-Registered Shareholder.

There are two kinds of Non-Registered Shareholders: (i) those who object to their name being made known to the issuers of securities which they own (called “**OBOs**” for Objecting Beneficial Owners); and (ii) those who do not object to their name being made known to the issuers of securities which they own (called “**NOBOs**” for Non-Objecting Beneficial Owners).

Issuers can request and obtain a list of their NOBOs from intermediaries via their transfer agents, pursuant to National Instrument 54-101 Communication with Beneficial Owners of Securities of Reporting Issuers (“**NI 54-101**”), and issuers can use this NOBO list for distribution of proxy-related materials directly to NOBOs. The Corporation has decided to take advantage of those provisions of NI 54-101 that allow it to directly deliver proxy-related materials to its NOBOs. By choosing to send these materials to you directly, the issuer (and not the intermediary holding on your behalf) has assumed responsibility for (i) delivering these materials to you, and (ii) executing your proper voting instructions. Please return your voting instructions as specified in the request for voting instructions.

With respect to OBOs, in accordance with applicable securities law requirements, the Corporation will have distributed copies of the Meeting Materials to the clearing agencies and intermediaries for distribution to such Non-Registered Shareholders. Intermediaries are required to forward the Meeting Materials to Non-Registered Shareholders unless they have waived the right to receive them. Intermediaries often use service companies to forward the Meeting Materials to Non-Registered Shareholders. Generally, Non-Registered Shareholders who have not waived the right to receive Meeting Materials will either:

- (a) be given a voting instruction form which is not signed by the Intermediary and which, when properly completed and signed by the OBO and returned to the Intermediary or its service company, will constitute voting instructions which the Intermediary must follow; or
- (b) be given a form of proxy which has already been signed by the Intermediary (typically by a facsimile, stamped signature), which is restricted as to the number of shares beneficially owned by the OBO but which is otherwise not completed by the Intermediary. Because the Intermediary has already signed the form of proxy, this form of proxy is not required to be signed by the OBO when submitting the proxy. In this case, the OBO who wishes to submit a proxy should properly complete the form of proxy and deposit it with the Corporation, c/o Endeavor Trust Corporation, Suite 702, 777 Hornby Street, Vancouver BC V6Z 1S4.

In either case, the purpose of these procedures is to permit Non-Registered Shareholders to direct the voting of their Shares they beneficially own. Should a Non-Registered Shareholder who receives one of the above forms wish to vote at the Meeting in person (or have another person attend and vote on behalf of the Non-Registered Shareholder), the Non-Registered Shareholder should strike out the persons named in the form of proxy and insert the Non-Registered Shareholder or such other person’s name in the blank space provided. In either case, Non-Registered Shareholders should carefully follow the instructions of their Intermediary, including those regarding when and where the proxy or voting instruction form is to be delivered.

Management of the Company does not intend to pay for intermediaries to forward to OBOs under NI 54-101 the proxy-related materials and Form 54-101F7 – Request for Voting Instructions Made by Intermediary, and, in the case of an OBO, the OBO will not receive the materials unless the OBO’s intermediary assumes the cost of delivery.

REVOCABILITY OF PROXY

Any registered shareholder who has returned a proxy may revoke it at any time before it has been exercised. In addition to revocation in any other manner permitted by law, a proxy may be revoked by instrument in writing, including a proxy bearing a later date, executed by the registered shareholder or by his attorney authorized in writing or, if the registered shareholder is a corporation, under its corporate seal or by an officer or attorney thereof duly

authorized. The instrument revoking the proxy must be deposited at the registered office of the Corporation, 1500 - 1055 West Georgia Street, Vancouver, British Columbia V6E 4N7, at any time up to and including the last business day preceding the date of the Meeting, or any adjournment thereof, or with the Chairman of the Meeting on the day of the Meeting. **Only registered shareholders have the right to revoke a proxy. Non-Registered Holders who wish to change their vote must, at least seven days before the Meeting, arrange for their respective Intermediaries to revoke the proxy on their behalf.**

VOTING SECURITIES AND PRINCIPAL HOLDERS THEREOF

The Corporation is authorized to issue an unlimited number of Common Shares, of which 59,283,475 Common Shares were issued and outstanding as at March 16, 2026. The holders of Common Shares are entitled to one vote for each Share held. The record date for the determination of shareholders entitled to receive notice of, and to vote at, the Meeting has been fixed as March 16, 2026. Holders of Common Shares of record at the close of business on March 16, 2026 will be entitled to receive notice of and vote at the meeting and will be entitled to one vote for each Share held. The Corporation has only one class of Common Shares.

To the knowledge of the directors and executive officers of the Corporation, no person or company beneficially owns, controls or directs, directly or indirectly or exercised control or direction over, shares carrying 10% or more of the voting rights attached to the Corporation's issued and outstanding Common Shares.

Oversight and Description of Director and Named Executive Officer Compensation

The Compensation Committee was responsible for making recommendations to the Board for compensation levels and considering the implications of the risks associated with the Corporation’s compensation policies and practices. When determining compensation policies and individual compensation levels for the Named Executive Officers, the Compensation Committee took into consideration a variety of factors. These factors include the overall financial and operating performance of the Corporation and the Board’s overall assessment of each executive’s individual performance and his contribution towards meeting corporate objectives, levels of responsibility, length of service and industry comparables.

Salary: The salary for each Named Executive Officer is primarily determined having regard to his or her position, responsibilities, the assessment of such individual’s performance and overall corporate performance as presented by management to the Board and the Compensation Committee. The base salaries of Named Executive Officers are reviewed annually and adjusted when considered appropriate. Base salary is intended to provide the Named Executive Officer with a compensation level competitive with base salaries within the mining industry. If the Named Executive Officer is contracted to the Corporation through a company controlled by the respective party, the consulting fee payable is determined based on the same criteria as salary.

Bonuses: There is no written contract between the Corporation and . Mr. Nordin for his services provided in 2022, 2023, 2024 and 2025 and the Board did not award a bonus to Mr. Nordin in 2022, 2023, 2024 or 2025.

On behalf and at the discretion of the Board, the Compensation Committee would consider whether it is appropriate and in the best interests of the Corporation to award a discretionary cash bonus to the Named Executive Officers and if so, in what amount. A cash bonus may be awarded for extraordinary past performance that has led to increased value for shareholders through the formation of new strategic or joint venture relationships, capital raising efforts, property acquisitions or divestitures, or achieving satisfaction of predetermined and agreed performance criteria. Demonstrations of extraordinary personal commitment to the Corporation’s interests, the community and the industry may also be rewarded through a cash bonus.

Option-based awards: To encourage the Corporation to achieve long term future growth, the Compensation Committee may from time to time recommend the grant of stock options to the Corporation’s executive officers, directors, consultants and employees under the stock option plan. All grants of options are reviewed and approved by

the Board. Grants of stock options are intended to encourage the executive officer's commitment to the Corporation's growth and the enhancement of share value and to reward executive officers for the Corporation's performance. The grant of stock options, as a key component of the executive compensation package, enables the Corporation to attract and retain qualified executives. The Compensation Committee reviews option balances and recommends to the Board grants to newly hired executive officers at the time of their employment and considers further grants to executive officers from time to time thereafter to such executive officers. The amount and terms of options previously granted to an executive officer are taken into account when determining whether and how new option grants should be made to the executive officer. The number of Common Shares, which may be subject to option in favour of any one individual, is limited under the terms of the option plan.

Since April 1, 2021 the Board has not had a Compensation Committee.

Financial reporting and disclosure by Clydesdale Resources Inc. (the "Corporation") constitute a significant aspect of the management of the Corporation's business and affairs.
