FORM 51-101 F3

REPORT OF MANAGEMENT AND DIRECTORS ON OIL AND GAS DISCLOSURE

The management of NWest Energy Corp. (formerly NWest Energy Inc.) (the "Company") is responsible for the preparation and disclosure of information with respect to the Company's oil and gas activities in accordance with securities regulatory requirements. Where a company has petroleum reserves that information would consist of the following:

a) (i) proved and proved plus probable oil and gas reserves estimated as at the last day of the Company's most recently completed financial year using the forecasted prices and costs; and
(ii) the related estimated future net revenue; and

b) (i) proved oil and gas reserves estimated as at the last day of the Company's most recently completed financial year using constant prices and costs; and
(ii) the related estimated future net revenue.

In the present case, the Company has no reserves as described in Form 51-101 F1 and as such no independent qualified reserves evaluator has evaluated the Company's reserves.

The Board of Directors has reviewed the Company's procedures for assembling and reporting other information associated with oil and gas activities and has reviewed that information with management. The Board of Directors, on the recommendation of the Reserves Committee approved:

a) the content and filing of Form 51-101 F1
b) the content and filing of this report
