

BIONEUTRA GLOBAL CORPORATION ANNOUNCES CHANGE OF DIRECTOR

Edmonton, Alberta – (March 12, 2019) – BioNeutra Global Corporation (“BioNeutra” or the “Company”) (TSXV: BGA) announces that Mr. Jonathan Havelock has tendered his resignation from the Board of Directors.

Chairman and Senior Vice President Mr. Bill Smith adds, “we were very pleased and honoured to have had Jon Havelock on our Board, although this was only for a short period, Jon as he always does, contributed to our meetings with his experience and insight. Thank you very much Jon, it was great working with you.”

About BioNeutra

BioNeutra is in the business of research and development, production and commercialization of ingredients for nutraceutical, functional and mainstream foods and beverages, with a focus on VitaFiber™ IMOs.

The Company’s lead product, VitaFiber™, is an advanced functional and health food and beverage ingredient scientifically made from natural agricultural products, is generally regarded as safe (GRAS) by the U.S. Food & Drug Administration, and is European Food Safety Authority and Health Canada approved as a novel food ingredient. VitaFiber™ is naturally sweet and lower in calories than regular sugar and is a natural source of dietary fiber as it provides low calorie soluble prebiotic fiber for human digestive health.

The Company produces VitaFiber™ using its patented processes that naturally transform starch molecules from agriculture cereal crops including corn, wheat, barley, potato, or tapioca into the functional health molecules of VitaFiber™ IMO. The VitaFiber™ manufacturing process is based upon a natural enzymatic conversion of starch molecules without any chemical modification involved, making VitaFiber™ a natural food and beverage ingredient. VitaFiber™ is also non-GMO, vegan-friendly, gluten-free, Kosher and Halal certified and available as certified organic.

The Company’s customers include a mix of small and medium enterprises and a number of high-profile food and beverage manufacturers in Canada, the U.S., Europe, the United Kingdom, and Mexico. VitaFiber™ is also available for retail purchase across the globe through Amazon.com and other direct-to-consumer retailers.
