PRESS RELEASE

Digital Value: new awards in Consip S.p.A.'s Multibrand Software Framework Agreements

Rome, June 16, 2025 – Digital Value S.p.A. (Ticker: DGV) announces that it has been awarded five lots under the Multibrand Software Framework Agreements, 7th Edition, issued by Consip S.p.A.

The Consip Multibrand Software initiative aims to provide Public Administration with high-quality solutions to support digital management and innovation, fostering technological progress for users, citizens, and the nation.

The total value of the awarded lots amounts to €158 million, of which €108.4 million is attributable to the Group, with an additional 20% in legal ceilings upon exhaustion of lot capacities. The contracts, with a duration of 12 months, are set to begin in the coming months, boosting the Group's contract portfolio for 2025.

Details of the awarded lots are as follows:

- **Lot 1** – Oracle solutions and related services
- **Lot 7** – Adobe solutions and related services
- **Lot 9** – Opentext solutions, including maintenance renewal for licenses in use and related services
- **Lot 10** – Dell solutions, including maintenance renewal for licenses in use and related services
- **Lot 11** – Citrix-TIBCO solutions, including maintenance renewal for licenses in use and related services

With these awards, Digital Value reaffirms its role as a reliable partner for public institutions, distinguished by the breadth and diversity of its offerings in collaboration with leading global technology providers.

Digital Value S.p.A.

Digital Value S.p.A., headquartered in Rome and operating nationwide, leads a Group recognized as a key player in Italy's IT services and solutions sector, with consolidated revenues of €815.8 million and over 600 employees (source: consolidated financial statements as of December 31, 2024). The Group engages in the research, design, development, and commercialization of ICT solutions and services for the digitalization of large accounts across strategic sectors of the Italian economy—Telecommunications, Transport, Utilities, Finance, Industry, and Public Administration—representing the core drivers of the national ICT market. Digital Value consolidates specialized and unique expertise, enabling it to fully address the innovation needs of key market segments, the result of a consistent and significant growth trajectory. The Group's success is built on the unique skills, know-how, and specialization of its human resources, and on its recognized ability to plan, implement, and manage innovative project solutions tailored to clients' digital transformation needs. Digital Value has been listed on the Euronext Milan market since May 2023.
