ENPAR Technologies Inc. Name and Ticker Symbol Change

Will Trade under Symbol "WATR"

GUELPH, ON--(Marketwired - January 02, 2018) - Dr. Gene Shelp, President and CEO of ENPAR Technologies, Inc. (TSX VENTURE: ENP) ("ENPAR" or "the Company") is very pleased to announce its Corporate Name and Ticker Symbol change.

ENPAR Technologies Inc. today changes its name to Current Water Technologies Inc.

The Company's new Ticker Symbol on the Toronto Venture Exchange will be "WATR".

The new website for the company will launch on January 2, 2018 under www.currentwatertechnologies.com.

About ENPAR Technologies Inc.

Current Water Technologies is a "Technology Company" applying its patented and proprietary "Electrochemical Technologies" to the treatment of waste water, desalination water and drinking water contaminated by metals or nutrients, i.e., nitrate/ammonia associated with the mining, metal processing, chemical, agricultural, municipal and waste management sectors. The common shares trade on Tier II of the TSX Venture Exchange under the symbol "WATR".

The TSX Venture Exchange has not reviewed and does not accept responsibility for the adequacy or accuracy of this release.

Forward Looking Statements

This news release contains forward-looking statements within the meaning of the "safe harbour" provisions of the Private Securities Litigation Reform Act of 1995. These forward-looking statements are subject to risks and uncertainties and other factors that may cause Current Water Technologies Inc. results to differ materially from expectations. These include risks relating to market fluctuations, property performance and other risks. These forward-looking statements speak only as of the date hereof. Certain statements contained in this press release and in certain documents incorporated by reference into this press release constitute forward-looking statements. The use of any of the words "anticipate", "continue", "estimate", "expect", "may", "will", "project", "should", "believe" and "confident" and similar expressions are intended to identify forward-looking statements. These statements involve known and unknown risks, uncertainties and other factors that may cause actual results or events to differ materially from those anticipated in such forward-looking statements. Current Water believes that the expectations reflected in those forward-looking statements are reasonable but no assurance can be given that these expectations will prove to be correct and such forward-looking statements included in, or incorporated by reference into, this press release should not be unduly relied upon. These statements speak only as of the date of this press release. Current Water undertakes no obligation to publicly update or revise any forward-looking statements, whether as a result of new information, future events or otherwise.
