EComm Systems Arranges Bridge Loan

Denver, Colorado (March 31, 2000) --- EComm Systems Corporation (CDNX:ES.U) is in the process of arranging a financing by way of a bridge loan in the amount of U.S.$200,000. The Company will agree to pay back the principal sum of the loan plus interest at 12% per annum. In consideration for the advancement of the loan, the Company will agree to provide the lender with that number of share purchase warrants which are equal to 40% of the principal amount of the loan divided by price determined for the preferred share private placement as disclosed in the Company's news release dated March 30, 2000. The exercise price of the warrants will be the price determined for the preferred share private placement as disclosed in that March 30, 2000 news release providing that, in any event, the exercise price of the warrants shall not be less than Cdn.$1.00. The share purchase warrants expire on the earlier of 12 months from the date of advance of the loan or 30 days after the full amount of the loan and interest thereon is repaid. The terms and the price of the share purchase warrants the Company will grant to the lender are subject to regulatory approval.

EComm is a publicly traded Delaware corporation listed on the Canadian Venture Exchange. With seven of the top national foodservice equipment distributors as partners, the company's first operating unit, COMMkitchen.com, began providing web-based marketing and purchasing options in the $13 billion commercial food service industry in late 1999. The company anticipates adding other operating units that will provide marketing and distribution in a variety of industries. Additional information can be found at www.ecommsystems.net.
