

CONSENT OF QUALIFIED PERSON

**RE: Talon Metals Corp.
Material Change Report dated October 27, 2022 (the “MCR”) and Prospectus
Supplement dated December 16, 2021 to the Final Base Shelf Prospectus dated
December 7, 2021 (collectively, the “Prospectus”)**

I, Dr. Etienne Dinel, Vice President, Geology of Talon Metals Corp., a “qualified person” within the meaning of National Instrument 43-101, consent to being named in the MCR and to the use of all scientific and/or technical disclosure, other than the mineral resource estimate, contained in the MCR (the “**Technical Information**”) and to the inclusion of the Technical Information in the written disclosure contained in the MCR or incorporated by reference into the Prospectus.

I hereby confirm that I have read the MCR and the Prospectus, including the written disclosure of the Technical Information contained in the MCR or the Prospectus or incorporated by reference therein and have no reason to believe that there are any misrepresentations in the information contained therein that is derived from the Technical Information or that is within my knowledge as a result of the services performed by me in connection with the Technical Information.

DATED this 27th day of October, 2022.

“Etienne Dinel” (signed)

Dr. Etienne Dinel,
Vice President, Geology
Talon Metals Corp.
