PRESS RELEASE

GPI: SUPPLEMENTARY INFORMATION ON THE PURCHASE OF 100% OF MEDINFO GROUP

Trento, 29 May 2020

GPI (GPI:IM), a leading company in IT Solutions and Healthcare and Social Services, listed on the MTA market of Borsa Italiana, in addition to the press release about the signing for the purchase of 100% of the MEDINFO Group, wired 28 May 2020, states that the Net debt of the seller at signing, is not relevant for the assessment of the transaction value and in any case, it is not significant in relation to the Net debt of Gpi Group.

Consideration of the transaction will be net of the Net debt as calculated at closing, the variation being considered of scarce relevance with reference to its value at signing.

GPI GROUP

Gpi is the partner of reference for software, technologies and services dedicated to health care, social care and public administration. Founded over 30 years ago in Trento, Italy, Gpi has grown thanks to significant investments in M&A (in Italy and abroad) and R&D, carried out in partnership with the main Italian universities and research organizations with the aim of transferring scientific, technological, functional and process know-how applied to the e-health, e-welfare, well-being sectors. Thanks also to the solutions and the specialised expertise passed on from companies who became part of the Gpi ecosystem, the Group has managed to translate emerging needs from health care into cutting-edge technological solutions and new service models capable of optimizing prevention processes, diagnosis and treatment, improving people's quality of life.

The products combine specialist expertise in IT and consultancy and design skills, which allow Gpi to operate in different business areas: Software, Care, Automation, ICT and Pay.

In 2019 the Company delivered consolidated revenues of 241 million Euros, over 5,300 employees and more than 2,200 customers spread over 60 countries.

In 2016 Gpi was listed on Borsa Italiana AIM market and graduated to MTA market in 2018.
