This year, the Meeting will be held in a virtual-only format, which will provide registered shareholders with the opportunity to attend the Meeting virtually online and to vote online, by proxy. Given the ongoing uncertainty surrounding the continuing public health impact of the 2019 novel coronavirus ("COVID-19"), to ensure the health and safety of shareholders, employees and the communities in which we live and as part of the Corporation's social responsibility and preparedness plans in response to COVID-19, shareholders will not be able to attend the Meeting physically, but will be able to participate virtually via teleconference call/live Zoom meeting platform. The Board of Directors and management of the Corporation believe that enabling shareholders to attend the Meeting virtually will also lead to greater shareholder attendance and participation.

Only Registered Shareholders who sign in using their control number provided on their proxy or proxy appointment who have requested a control number will be able to vote and ask questions at the Meeting. Such participants will be able to listen to the Meeting, ask questions and vote, all in real time, via live audio webcast available online using the Zoom meeting platform.
