Route1® Securing Enterprise Mobility

Route1 Inc. Verified for Trading on the OTCQB Venture Market

Toronto, November 28, 2016 - Route1 Inc. (OTCQB: ROIUF; TSXV: ROI) (the Company or Route1), a world-leader in secure data protection technologies and user authentication for government and enterprise, today announced that it has been verified for trading on the OTCQB Venture Market in the United States under the symbol ROIUF. Route1 will continue to trade on the TSX Venture Exchange under the symbol ROI.

The OTCQB market offers public companies transparency and ease of trading to engage both retail and institutional investors. OTCQB's streamlined rules and regulations provide international companies with a timely and cost-efficient method of trading their securities in the United States.

"We are pleased to be listed on the OTCQB, and expect that this listing will serve to increase our trading volumes and liquidity. Trading on OTCQB is part of a multi-pronged strategy which we believe will allow us to attract new investors to Route1." said Tony Busseri, CEO of Route1.
