This news release may contain statements that are not current or historical factual statements that may constitute forward-looking statements. These statements are based on certain factors and assumptions, including, price and liquidity of the common shares, expected financial performance, business prospects, technological developments, and development activities and like matters. While Route1 considers these factors and assumptions to be reasonable, based on information currently available, they may prove to be incorrect. These statements involve risks and uncertainties, including but not limited to the risk factors described in reporting documents filed by the Company. Actual results could differ materially from those projected as a result of these and other risks and should not be relied upon as a prediction of future events. The Company undertakes no obligation to update any forward-looking statement to reflect events or circumstances after the date on which such statement is made, or to reflect the occurrence of unanticipated events, except as required by law. Estimates used in this presentation are from Company sources. Past performance is not guarantee of future performance and readers should not rely on historical results as an indication of future results.
