MANAGEMENT INFORMATION CIRCULAR

as at **November 22, 2019** (except as indicated)

This information circular (“**Information Circular**”) is provided in connection with the solicitation of proxies by the management of **Sunset Pacific Petroleum Ltd.** (the “**Company**”) for use at the Annual General & Special Meeting of the shareholders of the Company (the “**Meeting**”) to be held on Friday, **December 27, 2019**, at Suite 419 – 938 Howe Street, Vancouver, British Columbia at 11:00 a.m. (Vancouver Time) and at any adjournments thereof for the purposes set forth in the enclosed Notice of Annual General & Special Meeting (“**Notice of Meeting**”).

The solicitation of proxies is made on behalf of the management of the Company. Such solicitation will be primarily by mail but may also be made by telephone or other electronic means of communication or in person by the directors and officers of the Company. The costs incurred in the preparation and mailing of the form of proxy, Notice of Meeting and this Information Circular will be borne by the Company. The cost of the solicitation will be borne by the Company.

DISTRIBUTION OF MEETING MATERIALS

This Information Circular and related Meeting materials are being sent to both registered and non-registered holders of common shares of the Company.

If you are a non-registered holder and the Company or its agent has sent these materials directly to you, your name and address and information about your holdings of common shares, have been obtained in accordance with applicable securities regulatory requirements from the Intermediary holding common shares on your behalf. “**Intermediary**” means a broker, a financial institution, an investment firm, a trustee or administrator of a self-administered retirement savings plan, retirement income fund, education savings plan or other similar self-administered savings or investment plan registered under the *Income Tax Act* (Canada), or a nominee of any of the foregoing that holds securities on behalf of a non-registered shareholder.

A shareholder may receive multiple packages of Meeting materials if the shareholder holds common shares through more than one Intermediary, or if the shareholder is both a registered shareholder and a non-registered shareholder for different shareholdings. Any such shareholder should repeat the steps to vote through a proxy, appoint a proxyholder or attend the Meeting, if desired, separately for each shareholding to ensure that all the common shares from the various shareholdings are represented and voted at the Meeting. Please return your voting instructions as specified in the appropriate voting information form.

PROXY INFORMATION

Appointment of Proxyholder

A duly completed form of proxy for the Company will constitute the persons named in the enclosed form of proxy as the shareholder’s proxyholder. The individuals whose names are printed in the enclosed form of proxy for the Meeting are directors and/or officers of the Company (the “**Management Proxyholders**”). The persons named in the enclosed form of proxy as Management Proxyholders have indicated their willingness to represent, as proxyholders, the shareholders who appoint them.

A shareholder has the right to appoint a person other than the Management Proxyholders to represent the shareholder at the Meeting by striking out the names of the Management Proxyholders and by inserting the desired person's name in the blank space provided or by executing a proxy in a form similar to the enclosed form. A proxyholder need not be a shareholder of the Company. Such a shareholder should notify the nominee of his or her appointment, obtain his or her consent to act as proxy and instruct him or her on how the shareholder's shares are to be voted.

Voting Of Proxies

Each shareholder may instruct its proxyholder how to vote its shares by completing the blanks in the enclosed proxy form. Shares represented by properly executed proxy forms will be voted or withheld from voting on any poll in accordance with instructions made on the proxy forms, and, if a shareholder specifies a choice as to any matters to be acted on, such shareholder's shares shall be voted accordingly.

If no choice is specified and one of the Management Proxyholders is appointed by a shareholder as proxyholder, it is intended that such person will vote in favour of the matters to be voted on at the Meeting.

The enclosed form of proxy confers discretionary authority upon the persons named therein as proxyholder with respect to amendments or variations to matters identified in the Notice of Meeting and with respect to any other matters which may properly come before the Meeting. At the date of this Information Circular, management of the Company knows of no such amendments, variations or other matters to come before the Meeting.

COMPLETION AND RETURN OF PROXY

Each proxy must be dated and executed by the shareholder or its attorney authorized in writing or by an Intermediary acting on behalf of a shareholder (see "*Voting by Non-Registered Shareholders*" below). In the case of a corporation, the proxy must be dated and executed under its corporate seal or signed by a duly authorized officer or attorney for the corporation.

A proxy will not be valid for the Meeting or any adjournment thereof unless the completed, signed and dated form of proxy is delivered to the office of the Company's registrar and transfer agent, Computershare Investor Services Inc., by mail or by hand, at 100 University Avenue, 9th Floor, Toronto, Ontario, M5J 2Y1, or as otherwise indicated in the instructions contained in the form of proxy (including, where applicable, through the transfer agent's internet and telephone proxy voting services). All proxies in respect of the Meeting must be completed and received not later than 48 hours (excluding Saturdays, Sundays and holidays) prior to the commencement of the Meeting, unless the chairman of the Meeting elects to exercise his or her discretion to accept proxies received subsequently.

Voting by Non-Registered Shareholders

The information in this section is important to many shareholders as a substantial number of shareholders do not hold their shares in their own name.

Shareholders who hold common shares through Intermediaries (such shareholders being collectively called "**Beneficial Shareholders**") should note that only registered holders of common shares or the persons they appoint as their proxyholders are permitted to vote at the Meeting.

If common shares are shown on an account statement provided to a Beneficial Shareholder by a broker or other Intermediary, then in almost all cases the name of such Beneficial Shareholder **will not** appear on the central securities register of the Company. Such common shares will most likely be registered in the name of the broker or an agent of the broker or other Intermediary. In Canada, the vast majority of such common shares will be registered in the name of "CDS & Co.", the registration name of The Canadian Depository for Securities Limited, which acts as a nominee for many brokerage firms. Such common shares can only be voted by the Intermediary and can only be voted by them in accordance with instructions received from Beneficial Shareholders. **As a result, Beneficial Shareholders should carefully review the voting instructions provided by their broker or other Intermediary**

with this Information Circular and ensure that they direct the voting of their common shares in accordance with those instructions.

Applicable regulatory policies require brokers and other Intermediaries to seek voting instructions from Beneficial Shareholders in advance of shareholders' meetings. In accordance with the requirements of National Instrument 54-101, the Company will distribute the Meeting materials to Intermediaries and clearing agencies for onward distribution to non-registered holders. The Company does not intend to pay Intermediaries to forward the Meeting materials if the non-registered holders have provided instructions to their Intermediary that they object to the Intermediary disclosing ownership information about the non-registered holders. In this case, such non-registered holder will not receive the Meeting materials if the Intermediary does not assume the cost of delivery. Each Intermediary has its own mailing procedures and provides its own return instructions to clients.

Intermediaries are required to forward the Meeting materials to non-registered holders unless a non-registered holder has waived the right to receive Meeting materials. Generally, non-registered holders who have not waived the right to receive Meeting materials will be sent a voting instruction form which must be completed, signed and returned by the non-registered holder in accordance with the Intermediary's directions on the voting instruction form. Intermediaries often use service companies to forward the Meeting materials to non-registered holders. Most brokers now delegate responsibility for obtaining instructions from clients to Broadridge Financial Solutions, Inc. ("**Broadridge**"). Broadridge typically supplies a voting instruction form, mails those forms to Beneficial Shareholders and asks those Beneficial Shareholders to return the forms to Broadridge or follow specific telephone or other voting procedures. Broadridge then tabulates the results of all instructions received by it and provides appropriate instructions respecting the voting of common shares at the Meeting. **A Beneficial Shareholder receiving a voting instruction form from Broadridge cannot use that form to vote common shares directly at the Meeting. Instead, the voting instruction form must be returned to Broadridge or the alternate voting procedures must be completed well in advance of the Meeting in order to ensure that such common shares are voted.**

In some cases, Beneficial Shareholders will instead be given a proxy which has already been signed by the Intermediary (typically by a facsimile, stamped signature) which is restricted as to the number of common shares beneficially owned by the Beneficial Shareholder but which is otherwise not completed. This form of proxy does not need to be signed by the Beneficial Shareholder, but, to be used at the Meeting, needs to be properly completed and deposited with Computershare Investor Services Inc. as described under "*Completion and Return of Proxy*" above.

The purpose of these procedures is to permit non-registered holders to direct the voting of the common shares that they beneficially own. Should a Beneficial Shareholder wish to attend and vote at the Meeting in person (or have another person attend and vote on behalf of the Beneficial Shareholder), the Beneficial Shareholder should strike out the names of the persons named in the Proxy and insert the Beneficial Shareholder's (or such other person's) name in the blank space provided or, in the case of a voting instruction form, follow the corresponding instructions on the form.

Revocation of Proxies

A proxy may be revoked at any time prior to the exercise thereof. If a registered shareholder who has given a proxy attends personally at the Meeting at which such proxy is to be voted, such shareholder may revoke the proxy and vote in person. In addition to revocation in any other manner permitted by law, a registered shareholder who has given a proxy may revoke it, any time before it is exercised, by instrument in writing executed by the registered shareholder or by his/her attorney authorized in writing or, if the registered shareholder is a corporation, under its corporate seal or by an officer or attorney thereof duly authorized. The instrument revoking the proxy must be deposited to the office of the Company's registrar and transfer agent, Computershare Investor Services Inc., by mail or by hand, at 100 University Avenue, 9th Floor, Toronto, Ontario, M5J 2Y1 at any time up to and including the last business day preceding the date of the Meeting, or any adjournment thereof, or with the chairman of the Meeting on the day of such Meeting. **Only registered shareholders have the right to revoke a proxy. Non-registered shareholders (Beneficial Shareholders) who wish to change their vote must arrange for their respective Intermediaries to revoke the proxy on their behalf well in advance of the Meeting.**

RECORD DATE AND VOTING SECURITIES

The directors of the Company have set the close of business on November 22, 2019, as the record date (the “**Record Date**”) for the Meeting.

Only common shareholders of record as at the Record Date are entitled to receive notice of the Meeting and to vote those shares included in the list of shareholders entitled to vote at the Meeting prepared as at the Record Date, unless any such shareholders transfer shares after the Record Date and the transferee of those shares, having produced properly endorsed certificates evidencing such shares or having otherwise established ownership of such shares, requests not later than 10 days before the Meeting, that the transferee’s name be included in the list of shareholders entitled to vote at the Meeting, in which case such transferee will be entitled to vote such shares at the Meeting.

Voting at the Meeting will be by show of hands, with each shareholder present having one vote, unless a poll is requested or required, whereupon each shareholder or proxyholder present is entitled to one vote for each common share held.

The Company is authorized to issue an unlimited number of common shares without par value of which 73,936,936 common shares are issued and outstanding as at the Record Date. The Company has no other class of voting securities.

QUORUM

The Articles of the Company provide that a quorum for the transaction of business at the Meeting shall be two persons who are, or who represent by proxy, shareholders who are entitled to vote at the Meeting.

VOTING SHARES AND PRINCIPAL HOLDERS OF VOTING SHARES

To the knowledge of the directors and executive officers of the Company, and based on the Company’s review of the records maintained by Computershare Investor Services Inc., electronic filings with the System for Electronic Document Analysis and Retrieval (SEDAR) and insider reports filed with System for Electronic Disclosure by Insiders (SEDI), no shareholders beneficially own, directly or indirectly, or exercise control or direction over more than 10% of the voting rights attached to all outstanding shares of the Company as at the Record Date.

INTEREST OF CERTAIN PERSONS IN MATTERS TO BE ACTED UPON

Other than as set forth in this Information Circular, management of the Company is not aware of any material interest, direct or indirect, by way of beneficial ownership of securities or otherwise, of any director or executive officer of the Company, any nominee for election as a director of the Company or any associate or affiliate of any such person, in any matter to be acted upon at the Meeting other than the election of directors.

For the purpose of this disclosure, “**associate**” of a person means: (a) an issuer of which the person beneficially owns or controls, directly or indirectly, voting securities entitling the person to more than 10% of the voting rights attached to outstanding securities of the issuer; (b) any partner of the person; (c) any trust or estate in which the person has a substantial beneficial interest or in respect of which a person serves as trustee or similar capacity; and (d) a relative of that person if the relative has the same home as that person.

External Management Companies

During the year ended December 31, 2018, no management functions of the Company were to any substantial degree performed by a person other than the directors or executive officers of the Company.

Employment, Consulting and Management Agreements

As at the date of this Information Circular, the Company has not entered into any employment agreements, consulting agreements or management agreements and no compensation is paid to NEOs or non-NEO directors.

NEOs and non-NEO directors are entitled to be reimbursed for reasonable expenditures incurred in performing their duties for the Company and are also entitled to participate in the Stock Option Plan.

Oversight and Description of Director and NEO Compensation

Director Compensation

The Company has no standard arrangements pursuant to which directors are compensated by the Company for their services in their capacity as directors, except for the granting from time to time of incentive stock options in accordance with the Stock Option Plan and the policies of the Exchange. Currently, no fees are paid to the directors for serving as directors of the Company. Should the Company's financial circumstances change in fiscal 2018, the

Board as a whole will determine the compensation payable to the directors of the Company, taking into consideration general industry standards for companies similar to the Company.

The Board believes that the granting of incentive stock options provides a reward to directors for achieving results that improve Company performance and thereby increase shareholder value, where such improvement is reflected in an increase in the Company's share price. In making a determination as to whether a grant of long-term incentive stock options is appropriate and if so, the number of options that should be granted, the Board considers: the number and terms of outstanding incentive stock options held by each director; the aggregate value in securities of the Company that the Board intends to award as compensation; the potential dilution to shareholders; general industry standards and the limits imposed by the terms of the Stock Option Plan and Exchange policies. The granting of incentive stock options allows the Company to reward directors for their efforts to increase value for shareholders without requiring the Company to use cash from its treasury. The terms and conditions of the Company's stock option grants, including vesting provisions and exercise prices, are governed by the terms of the Stock Option Plan, which are described under "*Stock Option Plans and Other Incentive Plans*" above.

The directors may be reimbursed for actual expenses reasonably incurred in connection with the performance of their duties as directors.

Named Executive Officer Compensation

The Company is an exploration stage company engaged in the exploration and development of oil and gas property interests and has focused its efforts the past couple of years on advancing the process to acquire property interests in Oman and Tunisia. The Company has, as of yet, no significant revenues from operations and often operates with limited financial resources. As a result, the directors of the Company have to consider not only the financial situation of the Company at the time of the determination of executive compensation, but also the estimated financial situation of the Company in the mid and long term.

No compensation was paid to NEOs during the fiscal year ended December 31, 2018 and it is anticipated that no compensation will be paid to NEOs during fiscal 2019 or 2020 until such time as the Company completes the acquisition of additional oil and gas interests.

Should the Company's financial situation change hereinafter, the Board anticipates that NEOs will be paid for the services they provide to the Company. In such circumstances, the general objectives of the Company's compensation strategy will be to (a) compensate management in a manner that encourages and rewards a high level of performance and outstanding results with a view to increasing long-term shareholder value; (b) align management's interests with the long-term interests of shareholders; (c) provide a compensation package that enables the Company to attract and retain talent; and (d) ensure that the total compensation package is designed in a manner that takes into account the financial constraints that the Company is under by virtue of the fact that it is a junior resource company without a history of earnings.

In considering the compensation of its NEOs, the Board will consider how it can best balance the interests of the Company and provide competitive compensation to attract and retain officers who will contribute to the success of the Company, while mindful of the financial constraints of the Company. The Board will take into account the types of compensation and the amounts paid to directors and officers of comparable publicly traded Canadian companies. All consulting or other compensation arrangements between the Company and its NEOs, if any, will be considered and approved by the independent members of the Board.

Given the Company's current financial situation, the primary element of executive compensation is that of stock options, which do not require cash disbursements by the Company. The Board believes that the granting of incentive stock options provides a reward to NEOs for achieving results that improve Company performance and thereby increase shareholder value, where such improvement is reflected in an increase in the Company's share price. In making a determination as to whether a grant of long-term incentive stock options is appropriate and if so, the number of options that should be granted, the Board considers: the number and terms of outstanding incentive stock options held by each NEO; the aggregate value in securities of the Company that the Board intends to award as compensation; the potential dilution to shareholders; general industry standards and the limits imposed by the terms of the Stock Option Plan and Exchange policies. The granting of incentive stock options allows the Company to reward NEOs for their efforts to increase value for shareholders without requiring the Company to use cash from

its treasury. The terms and conditions of the Company's stock option grants, including vesting provisions and exercise prices, are governed by the terms of the Stock Option Plan, which are described under "*Stock Option Plans and Other Incentive Plans*" above.

Other than as described above, there are no other perquisites provided to the NEOs. The Company does not use specific benchmark groups in determining compensation or any element of compensation.

A description of the Stock Option Plan is set out above under "*Stock Option Plans and Other Incentive Plans*". The Stock Option Plan was most recently approved by the Company's shareholders at its last annual general meeting on October 19, 2018.

INDEBTEDNESS OF DIRECTORS AND EXECUTIVE OFFICERS

No (a) director; (b) executive officer; (c) proposed nominee for election as a director; (d) associate of a director, executive officer or proposed nominee for election as a director; (e) employee; or (f) former director, executive officer or employee of the Company, is, as at the Record Date, or was at any time during the Company's last completed financial year, indebted to the Company or any of its subsidiaries.

INTEREST OF INFORMED PERSONS IN MATERIAL TRANSACTIONS

Other than transactions carried out in the normal course of business of the Company or any of its affiliates, no informed person and none of the proposed directors of the Company or any associate or affiliate of any informed person or proposed director had any material interest, direct or indirect, in any transaction since the commencement of the Company's most recently completed financial year or in any proposed transaction which has materially affected or would materially affect the Company or any of its subsidiaries.

Applicable securities legislation defines "**informed person**" to mean any of the following: (a) a director or executive officer of a reporting issuer; (b) a director or executive officer of a person or company that is itself an informed person or subsidiary of a reporting issuer; (c) any person or company who beneficially owns, directly or indirectly, voting securities of a reporting issuer or who exercises control or direction over voting securities of a reporting issuer or a combination of both carrying more than 10% of the voting rights attached to all outstanding voting securities of the reporting issuer other than voting securities held by the person or company as underwriter in the course of a distribution; and (d) a reporting issuer that has purchased, redeemed or otherwise acquired any of its securities, for so long as it holds any of its securities.

MANAGEMENT CONTRACTS

During year ended December 31, 2018, no management functions of the Company were to any substantial degree performed by a person other than the directors or executive officers of the Company.

CORPORATE GOVERNANCE DISCLOSURE

Corporate governance relates to activities of the Board, the members of which are elected by and are accountable to the shareholders, and takes into account the role of the individual members of management who are appointed by the Board and who are charged with the day-to-day management of the Company. The Board is committed to sound corporate governance practices, which are both in the interest of its shareholders and contribute to effective and efficient decision making.

National Instrument 58-101 – *Disclosure of Corporate Governance Practices* (“**NI 58-101**”) requires that each reporting company disclose its corporate governance practices on an annual basis. The Company’s general approach to corporate governance is summarized below.

Board of Directors

Independence

The Company’s Board is comprised of three (3) directors: Belkacem Aissaoui, Dennis Luk and Marilyn Woodruff.

Section 1.4 of National Instrument 52-110 – *Audit Committees* (“**NI 52-110**”) sets out the standard for director independence. Under NI 52-110, a director is independent if he or she has no direct or indirect material relationship with the Company. A material relationship is a relationship which could, in the view of the Board, be reasonably expected to interfere with the exercise of a director’s independent judgment. NI 52-110 also sets out certain situations where a director will automatically be considered to have a material relationship to the Company.

Applying the definition set out in section 1.4 of NI 52-110, one of the three members of the Board are independent. Marilyn Woodruff is the independent member. Belkacem Aissaoui is not independent by virtue of the fact that he is an executive officer of the Company (CEO) and Dennis Luk is not independent by virtue of the fact that he is an executive officer of the Company (CFO).

In order to facilitate its exercise of independent judgment in carrying out the responsibilities of the Board, the Board ensures that its independent director attends all Board meetings.

Other Directorships

None of the Company’s directors currently serve as directors of other reporting issuers or reporting issuer equivalents.

Orientation and Continuing Education

The Company has not adopted a formalized process of orientation for new Board members. Orientation of new directors has been and will be conducted on an ad hoc basis through discussions and meetings with other directors, officers and employees where a thorough description of the Company’s business, assets, operations and strategic plans and objectives are discussed. Orientation activities have been and will be tailored to the particular needs and experiences of each director and the overall needs of the Board.

The Board does not take any formal measures to provide continuing education for the directors. The current directors are all mining professionals with prior public company experience. Directors are kept informed as to matters impacting, or which may impact, the Company’s operations through reports and presentations at the Board

meetings. Directors are also provided the opportunity to meet with senior management, advisors and other directors who can answer any questions that may arise.

At this stage in the Company's development, and having regard to the background and experience of its directors, the Board does not feel it necessary to have such policies or programs in place.

Ethical Business Conduct

The Board has not adopted a formal written Code of Business Conduct and Ethics. In recruiting new Board members, the Board considers only persons with a demonstrated record of ethical business conduct.

The Board has concluded that fiduciary duties placed on individual directors by the Company's governing corporate legislation and the common law, in addition to the applicable corporate legislation restrictions placed on an individual director's participation in decisions of the Board in which the director has an interest, have been sufficient to ensure that the Board operates independently of management and in the best interests of the Company.

Nomination of Directors

The Board has not adopted a written mandate or formal procedure with respect to the nomination of directors. Nominees have historically been recruited by the efforts of existing Board members, and the recruitment process has involved both formal and informal discussions among committee and Board members. New nominees must have a track record in general business management, special expertise in an area of strategic interest to the Company, the ability to devote the required time, show support for the Company's mission and strategic objectives and have a willingness to serve.

Compensation

The Board has not adopted a written mandate or formal procedure with respect to determining compensation for the directors and NEOs.

Refer to "*Oversight and Description of Director and NEO Compensation*" above for a detailed description of the Company's compensation policies.

Other Board Committees

At the present time, the Company's only standing committee is the audit committee (the "**Audit Committee**") (see "*Audit Committee*" below).

Assessments

The Board monitors, but does not formally assess, the performance of individual Board members and their contributions. The Board does not, at present, have a formal process in place for assessing the effectiveness of the Board as a whole, its committees or individual directors, but will consider implementing one in the future should circumstances warrant. Based on the Company's size, its stage of development and the limited number of individuals on the Board, the Board considers a formal assessment process to be inappropriate at this time.

Audit Committee

NI 52-110 requires the Company's Audit Committee to meet certain requirements. It also requires the Company to disclose in this Information Circular certain information regarding the Audit Committee. That information is disclosed below.

Overview

The Audit Committee's mandate includes reviewing: (i) the financial statements, reports and other financially-based information provided to shareholders, regulators and others; (ii) the internal controls that management and the Board have established; and (iii) the audit, accounting and financial reporting processes generally. In meeting these responsibilities, the Audit Committee monitors the financial reporting process and internal control system, reviews and appraises the work of the external auditors, and provides an open avenue of communication between the external auditors, senior management and the Board.

The Audit Committee Charter

The Company's Board has adopted an Audit Committee Charter which sets out the Audit Committee's mandate, organization, powers and responsibilities. A copy of the Audit Committee Charter is attached hereto as Schedule "A".

Composition of the Audit Committee

The Company's Audit Committee is comprised of three directors consisting of Marilyn Woodruff, Belkacem Aissaoui and Dennis Luk. The following table sets out the names of the members of the Audit Committee and whether they are 'independent' and 'financially literate' for the purposes of NI 52-110.

Name of Member	Independent⁽¹⁾	Financially Literate⁽²⁾

Notes:

- (1) To be independent, a member of the Audit Committee must not have any direct or indirect 'material relationship' with the Company. A material relationship is a relationship which could, in the view of the Board, reasonably interfere with the exercise of a member's independent judgment. Accordingly, an executive officer of the Company is not independent, nor is a director that is paid consulting fees for non-director services provided to the Company.
- (2) To be considered financially literate, a member of the Audit Committee must have the ability to read and understand a set of financial statements that present a breadth and level of complexity of accounting issues that are generally comparable to the breadth and complexity of the issues that can reasonably be expected to be raised by the Company's financial statements.

Relevant Education and Experience

The education and experience of each member of the Audit Committee that is relevant to the performance of his responsibilities as an Audit Committee member and, in particular, any education or experience that would provide the member with:

- (a) an understanding of the accounting principles used by the Company to prepare its financial statements;
- (b) the ability to assess the general application of such accounting principles in connection with the accounting for estimates, accruals and reserves;
- (c) experience preparing, auditing, analyzing or evaluating financial statements that present a breadth and level of complexity of accounting issues that are generally comparable to the breadth and complexity of issues that can reasonably be expected to be raised by the Company's financial statements, or experience actively supervising one or more persons engaged in such activities; and
- (d) an understanding of internal controls and procedures for financial reporting, are as follows:

He has worked as a senior drilling manager for such companies as Schlumberger in Libya and Algeria, Halliburton in Algeria and Iraq, and Nabors Drilling in Algeria, Tunisia and Libya.
Dennis Luk	Dennis Luk holds a Bachelor's degree in Social Science from the University of Ottawa, and has served as a broker and investment banker over the past 20 years. Most recently, prior to moving to Canada, Mr. Luk was a vice president at Richardson Greenshields in Hong Kong, and the President of Campbell Holdings, a multi-million dollar trading company. Mr. Luk is currently a self-employed businessman.

Audit Committee Oversight

Since the commencement of the Company's most recent financial year, there has not been a recommendation of the Audit Committee to nominate or compensate an external auditor which was not adopted by the Board.

Reliance on Exemptions in NI 52-110 – Audit Committee Composition & Reporting Obligations

Since the Company is a "venture issuer" (as such term is defined in NI 52-110), it is relying on the exemption contained in section 6.1 of NI 52-110 from the requirements of Part 3 *Composition of the Audit Committee* (as described in "Composition of the Audit Committee" above) and Part 5 *Reporting Obligations* of NI 52-110 (which requires certain prescribed disclosure about an audit committee in the Company's Annual Information Form, if any, and this Information Circular).

Pre-Approval Policies and Procedures

The Audit Committee has adopted specific policies and procedures for the engagement of non-audit services as described in the Audit Committee Charter, attached hereto as Schedule "A".

7. Confirmation and Approval of Advance Notice Policy

Background

On October 22, 2019, the Board adopted an advance notice policy (the “**Advance Notice Policy**”) with immediate effect, a copy of which is attached to this Information Circular as Schedule “B”. In order for the Advance Notice Policy to remain in effect following termination of the Meeting, the Advance Notice Policy must be ratified, confirmed and approved at the Meeting, as set forth more fully below.

Purpose of the Advance Notice Policy

The directors of the Company are committed to: (i) facilitating an orderly and efficient annual general or, where the need arises, special meeting, process; (ii) ensuring that all shareholders receive adequate notice of the director nominations and sufficient information with respect to all nominees; and (iii) allowing shareholders to register an informed vote having been afforded reasonable time for appropriate deliberation.

The purpose of the Advance Notice Policy is to provide shareholders, directors and management of the Company with a clear framework for nominating directors. The Advance Notice Policy fixes a deadline by which holders of record of common shares of the Company must submit director nominations to the Company prior to any annual or special meeting of shareholders and sets forth the information that a shareholder must include in the notice to the Company for the notice to be in proper written form in order for any director nominee to be eligible for election at any annual or special meeting of shareholders.

Terms of the Advance Notice Policy

The following information is intended as a brief description of the Advance Notice Policy and is qualified in its entirety by the full text of the Advance Notice Policy, a copy of which is attached as Schedule “B”.

The terms of the Advance Notice Policy are summarized below:

- ◆ The Advance Notice Policy provides that advance notice to the Company must be made in circumstances where nominations of persons for election to the Board are made by shareholders of the Company other than pursuant to: (i) a “proposal” made in accordance with the *Business Corporations Act* (British Columbia)(the “Act”); or (ii) a requisition of the shareholders made in accordance with the Act.
- ◆ Among other things, the Advance Notice Policy fixes a deadline by which holders of record of common shares of the Company must submit director nominations to the secretary of the Company prior to any annual or special meeting of shareholders and sets forth the specific information that a shareholder must include in the written notice to the secretary of the Company for an effective nomination to occur. No person will be eligible for election as a director of the Company unless nominated in accordance with the provisions of the Advance Notice Policy.
- ◆ In the case of an annual meeting of shareholders, notice to the Company must be made not less than 30 nor more than 65 days prior to the date of the annual meeting; provided, however, that in the event that the annual meeting is to be held on a date that is less than 50 days after the date on which the first public announcement of the date of the annual meeting was made, notice may be made not later than the close of business on the 10th day following such public announcement.
- ◆ In the case of a special meeting of shareholders (which is not also an annual meeting), notice to the Company must be made not later than the close of business on the 15th day following the day on which the first public announcement of the date of the special meeting was made.
- ◆ The Board may, in its sole discretion, waive any requirement of the Advance Notice Policy. Amendments are allowed to be made by the Board to adopt such laws, regulations, forms, rules or policies as required or recommended or allowed by securities regulatory agencies or stock exchanges, or as otherwise determined by the Board to meet or exceed industry standards.

Confirmation and Approval of Advance Notice Policy by Shareholders

If the Advance Notice Policy is approved at the Meeting, the Advance Notice Policy will continue to be effective and in full force and effect in accordance with its terms and conditions beyond the termination of the Meeting. Thereafter, the Advance Notice Policy will be subject to an annual review by the Board, and will be updated to the extent needed to reflect changes required by securities regulatory agencies or stock exchanges or so as to meet industry standards.

If the Advance Notice Policy is not approved at the Meeting, the Advance Notice Policy will terminate and be of no further force or effect from and after the termination of the Meeting.

At the Meeting, shareholders will be asked to approve the following by ordinary resolution (the “**Advance Notice Policy Resolution**”):

“BE IT RESOLVED, as an ordinary resolution of the shareholders of the Company, that:

1. the Company’s Advance Notice Policy (the “**Advance Notice Policy**”) as set forth in the Information Circular of the Company dated November 22, 2019, be and is hereby ratified, confirmed and approved;

3. any one director or officer of the Company be and is hereby authorized and directed to do all such acts and things and to execute and deliver, under the corporate seal of the Company or otherwise, all such deeds, documents, instruments and assurances as in his or her opinion may be necessary or desirable to give effect to the foregoing resolutions.”

- ◆ ensuring that all shareholders receive adequate notice of the director nominations and sufficient information with respect to all nominees; and
- ◆ allowing shareholders to register an informed vote.

The purpose of this Advance Notice Policy (the “**Policy**”) is to provide shareholders, directors and management of the Company with direction on the nomination of directors. It is the position of the Company that this Policy is beneficial to shareholders and other stakeholders.

NOMINATION OF DIRECTORS

1. Subject only to the *Business Corporations Act* (British Columbia) (the “**BCBCA**”), only persons who are nominated in accordance with the following procedures shall be eligible for election as directors of the Company. Nominations of persons for election to the board of directors of the Company (the “**Board**”) may be made at any annual general meeting of shareholders, or at any special meeting of shareholders (but only if the election of directors is a matter specified in the notice of meeting given by or at the direction of the person calling such special meeting):
 - (a) by or at the direction of the Board or an authorized officer of the Company, including pursuant to a notice of meeting;
 - (b) by or at the direction or request of one or more shareholders pursuant to a proposal made in accordance with the provisions of the BCBCA or a requisition of the shareholders made in accordance with the provisions of the BCBCA; or

 - (i) who, at the close of business on the date of the giving of the notice provided for below in this Policy and on the record date for notice of such meeting, is entered in the securities register as a holder of one or more shares carrying the right to vote at such meeting or who beneficially owns shares that are entitled to be voted at such meeting; and

3. To be timely under paragraph 2 of this Policy, a Nominating Shareholder's notice to the secretary of the Company must be made:
 - (a) in the case of an annual general meeting of shareholders, not less than 30 nor more than 65 days prior to the date of the annual general meeting of shareholders; provided, however, that in the event that the annual general meeting of shareholders is called for a date that is less than 40 days after the date (the "**Notice Date**") on which the first public announcement of the date of the annual general meeting was made, notice by the Nominating Shareholder may be made not later than the tenth (10th) day following the Notice Date; and
 - (b) in the case of a special meeting (which is not also an annual general meeting) of shareholders called for the purpose of electing directors (whether or not called for other purposes), not later than the fifteenth (15th) day following the day on which the first public announcement of the date of the special meeting of shareholders was made.
4. To be in proper written form, a Nominating Shareholder's notice to the secretary of the Company, under paragraph 2 of this Policy must set forth:

 - (iv) any other information relating to the person that would be required to be disclosed in a dissident's proxy circular in connection with solicitations of proxies for election of directors pursuant to the BCBCA and Applicable Securities Laws (defined below); and
 - (b) as to the Nominating Shareholder giving the notice:
 - (i) any information relating to such Nominating Shareholder that would be required to be made in a dissident's proxy circular in connection with solicitations of proxies for election of directors pursuant to the BCBCA and Applicable Securities Laws, and

5. The Company may require any proposed nominee to furnish such other information as may reasonably be required by the Company to determine the eligibility of such proposed nominee to serve as an independent director of the Company in accordance with Applicable Securities Laws and the rules of any stock exchange on which the securities of the Company are then listed for trading or that could be material to a reasonable shareholder's understanding of the independence, or lack thereof, of such proposed nominee.
6. No person shall be eligible for election as a director of the Company unless nominated in accordance with the provisions of this Policy; provided, however, that nothing in this Policy shall be deemed to preclude discussion by a shareholder (as distinct from nominating directors) at a meeting of shareholders of any

matter in respect of which it would have been entitled to submit a proposal pursuant to the provisions of the BCBCA. The chair of the meeting shall have the power and duty to determine whether a nomination was made in accordance with the procedures set forth in the foregoing provisions and, if any proposed nomination is not in compliance with such foregoing provisions, to declare that such defective nomination shall be disregarded.
