**MARKSMEN ANNOUNCES TERMINATION OF PREVIOUSLY ANNOUNCED
PRIVATE PLACEMENT, PROPOSED NEW PRIVATE PLACEMENT AND
RESIGNATION OF DIRECTOR AND OFFICER**

CALGARY, ALBERTA, May 10, 2024 – Marksmen Energy Inc. (TSXV: MAH) (“**Marksmen**” or the “**Company**”) announces that, further to its news release dated April 24, 2024, it has terminated its previously announced non-brokered private placement of up to 20,000,000 units of Marksmen at a price of \$0.015 per unit for aggregate gross proceeds of up to a maximum of \$300,000, and that it now intends to complete a non-brokered private placement of up to 30,000,000 units of Marksmen (“**Units**”) at a price of \$0.01 per Unit for aggregate gross proceeds of up to a maximum of \$300,000 (the “**Offering**”). There is no minimum Offering. The Units will be comprised of one (1) common share (“**Common Share**”) and one (1) share purchase warrant (“**Warrant**”) of Marksmen. Each whole Warrant entitles the holder thereof to purchase one Common Share for \$0.05 expiring two (2) years from the date of the closing of the Offering. The Warrants will include an acceleration provision whereby if the Company's Common Shares trade at a price greater than \$0.10 for a period of 20 consecutive trading days, Marksmen may accelerate the expiry of the Warrants.

Marksmen may pay a cash commission or finder's fee to qualified non-related parties of up to 8% of the gross proceeds of the Offering (up to \$24,000) and broker warrants (the “**Broker Warrants**”) equal to up to 8% of the number of Units sold in the Offering (up to 2,400,000 Broker Warrants). Each Broker Warrant will entitle the holder to acquire one Common Share at a price of \$0.05 per Broker Warrant for a period of one (1) year from the date of issuance.

In the following order, assuming the maximum Offering, Marksmen intends to use the proceeds of the Offering to: (i) pay the expenses of the Offering and commissions (\$24,000 (8%)), (ii) undertake projects as recommended by its consultant Apex Global Engineering Inc. (“**Apex**”) to optimize production of all wells in Pickaway County, Ohio (\$120,000 (40%)); (iii) undertake a technical review and pursue farm-in drilling opportunities in Central Alberta also presented to Marksmen by Apex (\$125,000 (42%)); and (iv) the remainder for working capital (\$31,000 (10%)).

The Offering is being offered to all of the existing shareholders of Marksmen who are permitted to subscribe pursuant to the Existing Security Holder Exemption. This offer is open until June 24, 2024 or such other date or dates as the Company determines, and one or more closings are expected to occur, with the first closing anticipated for on or about May 17, 2024 or such other date or dates as the Company determines.

Any existing shareholders interested in participating in the Offering should contact the Company pursuant to the contact information set forth below.

The Company set May 9, 2024 as the record date for determining existing shareholders entitled to subscribe for Units pursuant to the Existing Security Holder Exemption. Subscribers purchasing Units under the Existing Security Holder Exemption will need to represent in writing that they meet certain requirements of the Existing Security Holder Exemption, including that they were, on or before the record date, a shareholder of the Company and still are a shareholder as at the closing date. The aggregate acquisition cost to a subscriber under the Existing Security Holder Exemption cannot exceed \$15,000 unless that subscriber has obtained advice from a registered investment dealer regarding the suitability of the investment.

As the Company is also relying on the Exemption for Sales to Purchasers Advised by Investment Dealers, it confirms that there is no material fact or material change related to the Company which has not been generally disclosed. In addition to offering the Units pursuant to the Existing Security Holder Exemption and the Exemption for Sales to Purchasers Advised by Investment Dealers, the Units are also being offered pursuant to other available prospectus exemptions, including sales to accredited investors. Unless the Company determines to increase the gross proceeds of the Offering, if subscriptions received for the Offering based on all available exemptions exceed the maximum Offering amount of \$300,000, Units will be allocated pro rata among all subscribers qualifying under all available exemptions.

Completion of the Offering is subject to regulatory approval including, but not limited to, the approval of the TSX Venture Exchange. The Common Shares, Warrants and Broker Warrants issued will be subject to a four month hold period from the date of the closing of the Offering.

It is expected that insiders of the Company will participate in the Offering.

The Company also announces the resignation of Dale Burstall, as a director and Corporate Secretary of Marksmen. "On behalf of everyone at Marksmen, we want to thank Dale for his commitment and service to Marksmen, and its shareholders, for more than a decade as counsel, a director, Corporate Secretary and multi-committee member and we wish him all the best in the future," said Archie Nesbitt, President and Chief Executive Officer of Marksmen.
