Chile Day Paris

Vancouver, British Columbia--(Newsfile Corp. - September 6, 2024) - Los Andes Copper Ltd. (TSXV: LA) (OTCQX: LSANF) ("Los Andes" or the "Company") is pleased to announce that its CEO, Santiago Montt, has been invited by the Government of Chile to participate today as a panelist at the Chile Day Paris.

The Chile Day is a public-private collaboration, sponsored by the Chilean Ministry of Finance, whose main objective is to position Chile as a highly attractive destination for foreign investment. It takes place 4 times a year in New York, London, Toronto and Paris. This year, Mr. Mario Marcel, the Minister of Finance of Chile, heads the delegation which includes several other high-level authorities.

Los Andes has been invited to participate in a panel to discuss "Stimulating Investment and Growth: Accelerating Permits and Improving Regulation Benchmarks and Trends." The panel will be led by Francisco Saffie, the Economic Regulation Coordinator from the Ministry of Finance of Chile, and will include representatives of BHP, Eren Groupe, and Los Andes Copper.

Santiago Montt, CEO of Los Andes, commented: "I am very pleased to have been asked to participate on this panel. The Chilean government is making important efforts to improve our current system of regulations and permitting processes, with the goal of securing the leadership position that the country has had as a destination for foreign investment, in mining, energy and several other industrial sectors. We are delighted to share our experience from the perspective of a greenfield project."

About Los Andes Copper Ltd.

Los Andes Copper Ltd. is an exploration and development company with an 100% interest in the Vizcachitas Project in Chile. The Company is focused on progressing the Project, which is located along Chile's most prolific copper belt, into production. Vizcachitas is one of the largest copper deposits in the Americas not controlled by the majors and the Company believes it will be Chile's next major copper mine.

The Project is a copper-molybdenum porphyry deposit, located 150 kilometers north of Santiago, in an area of very good infrastructure. An independent technical report for the PFS, prepared in accordance with NI 43-101, is available on the Company's SEDAR profile.

Los Andes Copper Ltd. is listed on the TSX-V under the ticker: LA.

Certain of the information and statements contained herein that are not historical facts, constitute *"forward-looking information" within the meaning of the Securities Act (British Columbia), Securities Act (Ontario) and the Securities Act (Alberta) ("Forward-Looking Information"). Forward-Looking Information is often, but not always, identified by the use of words such as "seek", "anticipate", "believe", "plan", "estimate", "expect" and "intend"; statements that an event or result is "due" on or "may", "will", "should", "could", or might" occur or be achieved; and, other similar expressions. More specifically, Forward-Looking Information involves known and unknown risks, uncertainties and other factors which may cause the actual results, performance or achievements of the Company, or industry results, to be materially different from any future results, performance or achievements expressed or implied by such Forward-Looking Information. Such Forward Looking Information includes, without limitation, the timing of and ability to obtain TSX-V and other regulatory approvals and the prospects, details related to and timing of the Vizcachitas Project. Such Forward-Looking Information is based upon the Company's assumptions regarding global and Chilean economic, political and market conditions and the price of metals and energy and the Company's production. Among the factors that have a direct bearing on the Company's future results of operations and financial conditions are changes in project parameters as plans continue to be refined, a change in government policies, competition, currency fluctuations and restrictions and technological changes, among other things. Should one or more of any of the aforementioned risks and uncertainties materialize, or should underlying assumptions prove incorrect, actual results may vary materially from any conclusions, forecasts or projections described in the Forward-Looking Information. Accordingly, readers are advised not to place undue reliance on Forward-Looking Information. Except as required under applicable securities legislation, the Company undertakes no obligation to publicly update or revise Forward-Looking Information, whether as a result of newinformation, future events or otherwise.*

Neither TSX Venture Exchange nor its Regulation Services Provider (as that term is defined in policies of the TSX Venture Exchange) accepts responsibility for the adequacy or accuracy of this release.
