Sable Resources Ltd – Announces Appointment of Donald Njegovan to Board of Directors and Richard Godfrey as CFO

November 3, 2017 (Vancouver, BC): Sable Resources Ltd. (“Sable” or the “Company”) (TSXV: SAE) is pleased to announce the appointment of Donald Njegovan to the Board of Directors and Richard Godfrey to the position of CFO effective immediately.

Donald R. Njegovan, Director, age 47. Mr. Njegovan has over 25 years of experience in the mining industry. He holds a Bachelor of Science in Mining Engineering from Michigan Technological University and a Bachelor of Arts from the University of Manitoba. Currently he is the Vice President, New Business Development at Osisko Mining Corporation. He was formerly Managing Director of Global Mining at Scotiabank, an Investment Banker at Toll Cross Securities Inc., and also worked underground and as a Mining Engineer throughout North America. Mr. Njegovan is a Director of Cabral Gold Ltd and was on the Board of Directors of St. Andrew Goldfields Ltd. up until it was acquired by Kirkland Lake Gold.

Richard Godfrey is a finance professional who has been involved in the Mining Industry over the last 30 years, both domestic and international. He has been directly involved in all financial and administration activities at the Corporate and mine site levels, with the responsibilities for public and management reporting, internal controls, risk management, treasury, debt and equity financings and materials management. He has held the CFO or VP Finance position for JDS Silver, Capstone Mining, Lundin Mining, Breakwater Resources, Ma’aden (the Saudi Arabian Mining Company) and Triton Mining. He has also been the mine site Controller at mines located in the Yukon and the NWT.

Andrew Malashewsky will be stepping down as CFO and will continue working as a consultant to Sable and assist Richard during the transition. The Company wishes to thank Andrew for his continuing contribution.

About Sable Resources Ltd.

Sable owns numerous mineral projects in British Columbia, Canada and Mexico including 142 square kilometers of mineral tenure and mining leases in the Toodoggone mining district of north-central British Columbia which hosts the past-producing Baker and Shasta mines, and the 250-ton-per-day Baker mill and tailings facility.

We seek safe harbor
