NEWS RELEASE 2017-05

TERRENO RESOURCES ENGAGES CONSULTING GEOLOGIST

TORONTO, CANADA / TheNewswire / October 30, 2017 - Terreno Resources Corp. (TSXV: TNO.H) ("**Terreno**" or the "**Company**") Mr. George A. Brown, the President & CEO of Terreno, is pleased to announce that the Company has engaged the services of Mr. William (Bill) Hamilton, P.Geo., of Toronto as a consulting geologist and a Qualified Person as defined by National Instrument 43-101. Mr. Hamilton will be reviewing the geological merit of any property submissions and potential property acquisitions. The Company intends to acquire a property of merit in the near future with which it intends to apply to graduate to the TSX Venture Exchange.

Mr. Hamilton has over forty years of geological experience since completing his B.Sc. in geology at Mount Allison University. He is a member of the Association of Professional Geoscientists of Ontario, the Prospectors and Developers Association of Canada, and the Canadian Institute of Mining and Metallurgy. Mr. Hamilton is also able to communicate effectively in English, French, and Spanish which will have added value in the completion of any on site due diligence.

The Company has announced the terms of a private placement on October 27, 2017. Interested parties may contact Mr. Brown using the contact information listed below.

This news release does not constitute an offer to sell or a solicitation of an offer to buy any of Terreno's securities in the United States. None of the securities have been and will not be registered under the United States Securities Act of 1933, as amended (the "1933 Act"), or any state securities laws and may not be offered or sold within the United States or to U.S. persons unless registered under the 1933 Act and applicable state securities laws, or an exemption from such registration is available. Any public offering of securities in the United States must be made by means of a prospectus that contains detailed information about Terreno and its management, as well as financial statements.

This release may contain certain "forward looking statements" and certain "forward-looking information" as defined under applicable Canadian and U.S. securities laws. Forward-looking statements and information can generally be identified by the use of forward-looking terminology such as "may", "will", "expect", "intend", "estimate", "anticipate", "believe", "continue", "plans" or similar terminology. Forward-looking statements and information include, but are not limited to, statements with respect to the transactions contemplated, any requisite regulatory approvals in respect thereof and proposed future transactions Tereno may undertake and their expected timing. Forward-looking statements and information are based on forecasts of future results, estimates of amounts not yet determinable and assumptions that, while believed by management to be reasonable, are inherently subject to significant business, economic and competitive uncertainties and contingencies. Forward-looking statements and information are subject to various known and unknown risks and uncertainties, many of which are beyond the ability of Terreno to control or predict. Terreno undertakes no obligation to update forward-looking information except as required by applicable law. Such forward-looking information represents management's best judgment based on information currently available. No forward-looking statement can be guaranteed and actual future results may vary materially. Accordingly, readers are advised not to place undue reliance on forward-looking statements.
