**ARTICLE 1
INTERPRETATION**

1.1 To Be Read With Master Indenture

This Ninth Supplemental Indenture is a Supplemental Indenture within the meaning of the Master Indenture. The Master Indenture and this Ninth Supplemental Indenture shall be read together and shall have effect so far as practicable as though all the provisions of both indentures were contained in one instrument.

1.2 Ninth Supplemental Indenture

The terms "**this Ninth Supplemental Indenture**", "**this indenture**", "**herein**", "**hereof**", "**hereby**", "**hereunder**", and similar expressions, unless the context otherwise specifies or requires, refer to the Master Indenture as amended and supplemented by this Ninth Supplemental Indenture and not to any particular Article, section, subsection or clause or other portion thereof, and include every instrument supplemental or ancillary to this Ninth Supplemental Indenture. For clarity and avoidance of doubt, the provisions of this Ninth Supplemental Indenture shall only be applicable to the Series 9 Notes issued hereunder and shall not be applicable to any other series of Notes issued under the Master Indenture.

1.3 Definitions

All terms which are defined in the Master Indenture and used but not defined in this Ninth Supplemental Indenture shall have the meanings ascribed to them in the Master Indenture, as such meanings may be amended by this Ninth Supplemental Indenture. In the event of any inconsistency between the terms in the Master Indenture and this Ninth Supplemental Indenture, the terms in this Ninth Supplemental Indenture shall prevail. Subject to the foregoing, in this Ninth Supplemental Indenture and in the Series 9 Notes, the following terms have the following meanings:

"Change of Control Notice" has the meaning set out in Section 3.1(b);

"Change of Control Offer" has the meaning set out in Section 3.1(a);

"Investment Grade Rating" means a rating equal to, or higher than, BBB (low) (or the equivalent of any successor rating category of DBRS) by DBRS, Baa3 (or the equivalent of any successor rating

"Series 9 Notes" has the meaning set out in Section 2.1;

"Specified Rating Agency" means each of DBRS and Moody's and, if a rating of the Series 9 Notes is obtained from a Designated Rating Organization selected by the Issuer, shall also include such Designated Rating Organization, as long as, in each case, such entity has not ceased to rate the Series 9 Notes or failed to make a rating of the Series 9 Notes publicly available for reasons outside of the Issuer's control; provided that if any one or more of DBRS, Moody's or such other Designated Rating Organization, as applicable, ceases to rate the Series 9 Notes or fails to make a rating of the Series 9 Notes publicly available for reasons outside of the Issuer's control, the Issuer may select any other Designated Rating Organization, acceptable to the Trustee, acting reasonably, as a replacement agency; and

"Third Party Offer" has the meaning set out in Section 3.1(g).

Any redemption is subject to the condition that immediately before and after giving effect to such redemption, no Default or Event of Default shall have occurred and be continuing. The Issuer will give notice of redemption to the holders of the Series 9 Notes to be redeemed not more than 60 days and not less than 10 days before the Redemption Date and will otherwise carry out the redemption of the Series 9 Notes in accordance with Article 5 of the Master Indenture (except that, solely for purposes of the Series 9 Notes (and not in relation to any other series of Notes), notwithstanding Section 5.4 of the Master Indenture, the notice of intention to redeem the Series 9 Notes may be given not more than 60 days and not less than 10 days prior to the Redemption Date). ARTICLE 3
OFFER TO REPURCHASE SERIES 9 NOTES

3.1 Offer to Repurchase Series 9 Notes on Change of Control Triggering Event

- (a) If a Change of Control Triggering Event occurs, unless the Issuer has exercised its optional right to redeem or purchase for cancellation all of the Series 9 Notes pursuant to Section 2.9 of this Ninth Supplemental Indenture (except to the extent that there is a default in the payment of the applicable Redemption Price or purchase price), the Issuer will be required to make an offer to repurchase all or, at the option of any Holder, any part (equal to \$1,000 or an integral multiple thereof) of such Holder's Series 9 Notes on the terms set forth in this Section 3.1 (the "**Change of Control Offer**"), at a purchase price payable in cash equal to 101% of the outstanding principal amount of the Series 9 Notes, plus accrued and unpaid interest thereon, if any, to the Change of Control Payment Date (the "**Change of Control Payment**").
- (b) Within 30 days following any Change of Control Triggering Event, the Issuer shall give written notice to each Holder describing the transaction or transactions that constitute the Change of Control Triggering Event and offering to repurchase the Series 9 Notes on the date (the "**Change of Control Payment Date**") specified in the notice (the "**Change of Control Notice**"), which Change of Control Payment Date shall be no earlier than 30 days and no later than 60 days from the date such Change of Control Notice is given, pursuant to the procedures required by this Section 3.1 and described in such notice. The Change of Control Notice shall specify:
 - (i) a description of the circumstances and relevant facts regarding the Change of Control;
 - (ii) that a Change of Control Offer is being made in accordance with this Section 3.1 to purchase, on the Change of Control Payment Date, all outstanding Series 9 Notes that are duly tendered pursuant to this Change of Control Offer;

- (c) The Issuer (or, as applicable, the Third Party referred to in Section 3.1(g)) must comply with the requirements of applicable securities laws and regulations in connection with the repurchase of the Series 9 Notes as a result of a Change of Control Triggering Event. To the extent that the provisions of any such applicable securities laws and regulations conflict with the provisions of this Section 3.1, the Issuer (or, as applicable, the Third Party) shall comply with such laws and regulations and shall not be deemed to have breached any of its obligations under this Section 3.1 to repurchase the Series 9 Notes by virtue of any such conflict. The Trustee shall, at the Issuer's option, act as depository in respect of the Change of Control Offer on behalf of the Issuer.
- (d) On the Change of Control Payment Date, the Issuer or Third Party, as applicable, shall, to the extent lawful:

- (i) accept or direct the Trustee to accept for payment all Series 9 Notes or portions of Series 9 Notes properly tendered pursuant to the Change of Control Offer;

- (e) The Trustee will as soon as practicable pay to each Holder of properly tendered Series 9 Notes an amount equal to the Change of Control Payment in respect of such Series 9 Notes, or portion thereof, as applicable, either, at the Trustee's option, by mailing (first class mail, postage prepaid) a cheque to such Holder or by means of a wire transfer in accordance with the applicable payment procedures of the Depository, and the Trustee will as soon as practicable certify and mail (first class mail, postage prepaid) (or cause to be transferred by book-entry) to each such Holder a new Series 9 Note equal in principal amount to any unpurchased portion of any Series 9 Notes surrendered, provided that each new Series 9 Note will be in a principal amount of \$1,000 and integral multiples of \$1,000 in excess thereof.
- (f) Notwithstanding anything set forth herein that may be construed to the contrary, the Issuer will not be required to make a Change of Control Offer if, in connection with or in contemplation of any Change of Control Triggering Event, it has made an offer to purchase (an "**Alternate Offer**") any and all Series 9 Notes validly tendered at a cash price equal to or higher than the Change of Control Payment and has purchased all Series 9 Notes properly tendered in accordance with the terms and conditions of such Alternate Offer.
- (g) Notwithstanding anything set forth herein that may be construed to the contrary, the Issuer will not be required to make a Change of Control Offer upon a Change of Control Triggering Event if a Third Party makes such an offer substantially in the manner, at the times and in compliance with the requirements for a Change of Control Offer made by the Issuer pursuant to the provisions of this Section 3.1 (and for at least the same purchase price payable in cash) (a "**Third Party Offer**") and such Third Party purchases all Series 9 Notes properly tendered and not withdrawn under its offer.
- (h) All Series 9 Notes purchased by the Issuer under the provisions of this Section 3.1 shall be forthwith delivered to and cancelled by the Trustee at the principal office of the Trustee in Montreal, Québec or Toronto, Ontario and no Series 9 Notes shall be issued in substitution thereof except in respect of any unpurchased portion of any Series 9 Notes surrendered.
- (i) If the Change of Control Payment Date is on or after an interest record date and on or before the related Interest Payment Date, accrued and unpaid interest, if any, will be paid to the Person in whose name a Series 9 Note is registered at the close of business on such record date, and no additional interest will be payable pursuant to the Change of Control Offer.

- (j) In the event that Holders of not less than 90% of the aggregate principal amount of the outstanding Series 9 Notes accept a Change of Control Offer, a Third Party Offer or an Alternate Offer and the Issuer or a Third Party, as the case may be, purchases all of the Series 9 Notes held by such Holders, the Issuer or such Third Party, as the case may be, will have the right, upon not less than 30 nor more than 60 days' prior notice, given not more than 30 days following the purchase pursuant to a Change of Control Offer, a Third Party Offer or an Alternate Offer, to redeem all of the Series 9 Notes that remain outstanding following such purchase at a redemption price per Series 9 Note equal to the amount paid to purchase a Series 9 Note pursuant to the Change of Control Offer, the Third Party Offer or the Alternate Offer, as the case may be, plus accrued and unpaid interest, if any, on such Series 9 Notes that remain outstanding, to the applicable redemption date (subject to the right of Holders on the relevant record date to receive interest due on an Interest Payment Date that is on or prior to the redemption date).

Reference is hereby expressly made to the Trust Indenture and all instruments supplemental thereto for a description of the terms and conditions upon which this Series 9 Note is issued and held and the rights and remedies of the Holder of this Series 9 Note and of the Issuer and of the Trustee, all of which are incorporated by reference in this Series 9 Note and to all of which the Holder of this Series 9 Note, by acceptance hereof, agrees. The provisions of this Series 9 Note are qualified in their entirety by the provisions of the Trust Indenture. A Holder may obtain from the Trustee a copy of the Trust Indenture on written request and upon payment of a reasonable copying charge.

Interest payments will be made by the Issuer by electronic funds transfer or wire transfer (or other payment method as agreed between the Issuer and the Trustee) to the Depository or the Nominee on each Interest Payment Date (except in case of payment at maturity, on redemption, repurchase or pursuant to a Change of Control Offer or Alternate Offer at which time payment of interest will be made only upon surrender of this Series 9 Note). The forwarding of such payments to the Depository or the Nominee shall satisfy and discharge the liability of the Issuer in respect of such amounts of interest on this Series 9 Note to the extent of the sum represented thereby (plus the amount of any tax, assessment or other government charge required by law to be deducted or withheld).

The Series 9 Notes are direct unsecured obligations of the Issuer. The Series 9 Notes rank equally and *pari passu* with each other and with the Notes of every other Series (regardless of their actual dates or terms of issue) and, subject to statutory preferred exceptions, with all other existing and future unsecured and unsubordinated Indebtedness of the Issuer, except as to sinking fund provisions applicable to different Series and other similar types of obligations of the Issuer. The Series 9 Notes are effectively subordinated to all of the Issuer's existing and future secured obligations to the extent of the assets securing such obligations. The Series 9 Notes rank senior in right of payment to all future obligations of the Issuer that are, by their terms, expressly subordinated in right of payment to the Series 9 Notes and equal in right of payment with all existing and future obligations of the Issuer that are not so subordinated. The Series 9 Notes are structurally subordinated to all Indebtedness and other obligations (including trade payables) of the Issuer's non-guarantor Subsidiaries.

This Series 9 Note has been unconditionally and irrevocably guaranteed as to the payment of principal, interest, and Premium, if any, in accordance with the terms of the Trust Indenture by the Guarantors. Any guarantee of the Series 9 Note is subject to the provisions of the Master Indenture, including Article 6 thereof. Each guarantee of the Series 9 Notes will be unsecured and rank equally with the existing and future unsecured and unsubordinated Indebtedness of each Guarantor. The guarantees will be effectively subordinated to the Guarantors' secured obligations to the extent of the assets securing such obligations.

The Issuer may, at its option, redeem the Series 9 Notes, at any time and from time to time, in whole or in part, and upon such conditions as may be specified in the applicable notice of redemption, upon not less than 10 days' and not more than 60 days' notice to the Holders of the Series 9 Notes to be redeemed, on payment of the Redemption Price equal to (A) prior to April 22, 2028, the greater of (i) the Canada Yield Price and (ii) par and (B) on or after April 22, 2028, par; together, in each case, with accrued and unpaid interest, if any, to the Redemption Date. Any redemption is subject to the condition that immediately before and after giving effect to such redemption, no Default or Event of Default shall have occurred and be continuing. The notice of the Issuer to redeem the Series 9 Notes may be conditional and, in such case, such notice of redemption shall specify the details and terms of any event on which such redemption is conditional.

Subject to applicable law, at any time and from time to time, the Issuer will have the right, at its option, to purchase all or any of the Series 9 Notes (which may include purchases from or through an investment dealer or a firm holding membership on a recognized stock exchange or by tender, open market purchases, or by private contract, in each case, at any price) for cancellation, provided that immediately before and after giving effect to such purchase, no Default or Event of Default shall have occurred and be continuing.

The Issuer is required, further to the occurrence of a Change of Control Triggering Event and subject to and in accordance with the provisions of the Trust Indenture, unless the Issuer has exercised its optional right to redeem or purchase for cancellation all of the Series 9 Notes (except to the extent that there is a default in the payment of the applicable Redemption Price or purchase price), to make (or arrange for a Third Party to make) an offer to repurchase all or, at the option of the Holder of Series 9 Notes, any part (equal to \$1,000 or an integral multiple thereof) of such Holder's Series 9 Notes, at a purchase price payable in cash equal to 101% of the outstanding principal amount thereof, plus accrued and unpaid interest, if any, to the Change of Control Payment Date.

The Principal Amount may become or be declared due before the Stated Maturity on the conditions, in the manner, with the effect and at the times set forth in the Trust Indenture.

The Master Indenture includes negative pledge and default provisions, certain covenants of the Issuer, provisions which preclude suits by Holders of Notes in certain circumstances, and provisions which create procedures for meetings of Holders of Notes. The Master Indenture provides for making resolutions passed at such meetings and instruments in writing signed by the holders of a specified percentage of the notes outstanding binding on all holders of Notes issued by the Issuer pursuant to the Master Indenture, subject to the provisions of the Ninth Supplemental Indenture.

This Series 9 Note may be transferred only upon compliance with the conditions prescribed in the Trust Indenture on one of the Registers kept at the principal offices of the Trustee in Montreal, Québec or Toronto, Ontario and at such other place or places, if any, and by such other Registrar or Registrars, if any, as the Issuer may designate, by the registered Holder hereof or the Holder's legal representative or attorney duly appointed by an instrument in writing in form and execution satisfactory to the Trustee, and upon compliance with such reasonable requirements as the Trustee or other Registrar may prescribe, and such transfer shall be duly noted hereon by the Trustee or other Registrar.

This Series 9 Note shall not become obligatory for any purpose until it shall have been certified by the manual signature of the Trustee under the Trust Indenture.

This Series 9 Note and the Trust Indenture are governed by, and are to be construed and enforced in accordance with the laws of the Province of Québec and the federal laws of Canada applicable therein.

The parties hereto have declared that they have required that this Series 9 Note and all other documents related hereto be in the English language.

Les parties aux présentes ont expressément exigé que le présent certificat, de même que tous les documents s'y rapportant, soient rédigés en anglais.

All capitalized terms used in this Series 9 Note which are not otherwise defined shall have the meanings ascribed to such terms in the Trust Indenture.
