Re: Saputo Inc. (the "Entity")

We refer to the short form base shelf prospectus of the above Entity dated December 22, 2022 relating to the offer, from time to time, of common shares, debt securities, warrants, subscription receipts and units of the Entity.

We, KPMG LLP, consent to being named and to the use, through incorporation by reference in the short form base shelf prospectus, of our report dated June 6, 2024 to the shareholders of the Entity on the following consolidated financial statements:

- Consolidated statements of financial position as at March 31, 2024 and March 31, 2023,
- Consolidated income statements, consolidated statements of comprehensive income, changes in equity and cash flows for the years then ended, and
- Notes to the consolidated financial statements, including a summary of material accounting policies.

We report that we have read the short form base shelf prospectus and all information specifically incorporated by reference therein and have no reason to believe that there are any misrepresentations in the information contained therein that are derived from the consolidated financial statements upon which we have reported or that are within our knowledge as a result of our audit of such consolidated financial statements. We have complied with Canadian generally accepted standards for an auditor's consent to the use of a report of the auditor included in an offering document, which does not constitute an audit or review of the prospectus as these terms are described in the *CPA Canada Handbook – Assurance*.

Yours very truly,
