

## **Aura Minerals Announces Release Date For Third Quarter 2017 Financial and Operation Results**

ROAD TOWN, British Virgin Islands, Oct. 27, 2017 -- **Aura Minerals Inc.** (TSX:ORA) announces that the Company will release its third quarter 2017 financial and operational results after the close of business on Wednesday, November 8, 2017.

The Company anticipates hosting a corporate update conference call in due course to discuss, among other matters, financial and operational results, financing activities and near and long-term strategic views on the Company along with status updates on all its properties. Further details will be provided in advance of the call.

### **About Aura Minerals Inc.**

Aura is a mid-tier gold and copper production company focused on the development and operation of gold and base metal projects in the Americas. The Company's producing assets include the San Andres gold mine in Honduras and the Ernesto/Pau-a-Pique and Sao Francisco gold mines in Brazil. Operations at the copper-gold-silver Aranzazu mine in Mexico are currently in care-and-maintenance and the Company is evaluating options for its re-start of operations. The Company's core development asset is the copper-gold-iron Serrote da Laje project in Brazil and the Company is evaluating options for Serrote in order to maximize its value.
