About Aura Minerals

Aura is a mid-tier gold and copper production company focused on the development and operation of gold and base metal projects in the Americas. Aura's assets include producing gold mines in Brazil and Honduras. The Company is working towards completing the necessary steps to enable the restart of operations at its Aranzazu mine in Mexico including but not limited to: (i) completing a comprehensive technical study covering key areas of the project such as geology and resource estimates, mining plan and reserves, process engineering, metallurgy, OPEX and CAPEX as well as the associated financial modelling; and (ii) hiring experienced and highly qualified personnel. In addition, the Company has two additional gold projects in Brazil, Almas and Matupá, and one gold project in Colombia, Tolda Fria.
