

## Aura announces first gold shipment from the Gold Road mine

ROAD TOWN, British Virgin Islands, Sept. 17, 2020 -- **Aura Minerals Inc. (TSX: ORA) (B3: AURA32)** (“**Aura**” or the “**Company**”) is pleased to announce that the Gold Road mine (“**Gold Road**”), located in Arizona, USA, today shipped its first lot of gold production since its acquisition at the end of March by Aura Minerals. The total shipped was 582 ounces of gold equivalent, corresponding to approximately one week of production.

Production performance to date is in line with the Company’s expectations and Aura expects Gold Road to declare commercial production in the 4th quarter of 2020.

### Forward-Looking Information

This press release contains “forward-looking information” and “forward-looking statements”, as defined in applicable securities laws (collectively, “**forward-looking statements**”) which include the expectations about declaration of commercial production by Gold Road.

Known and unknown risks, uncertainties and other factors, many of which are beyond the Company’s ability to predict or control, could cause actual results to differ materially from those contained in the forward-looking statements.

Specific reference is made to the Company’s most recent Annual Information Form on file with certain Canadian provincial securities regulatory authorities for a discussion of some of the factors underlying forward-looking statements.

All forward-looking statements herein are qualified by this cautionary statement. Accordingly, readers should not place undue reliance on forward-looking statements. The Company undertakes no obligation to update publicly or otherwise revise any forward-looking statements whether as a result of new information or future events or otherwise, except as may be required by law. If the Company does update one or more forward-looking statements, no inference should be drawn that it will make additional updates with respect to those or other forward-looking statements.
