The private placement will now consist of an offering of 9,000,000 units (each a "Unit) at a price of $0.06 per Unit, (the "Offering"). Teuton's share price closed at $0.065 a share on February 12, 2015.

A finder's fee, up to the maximum allowable under TSX Venture policy, may be payable in regard to the Offering. Insiders of the Company will be taking part in the Offering. All securities issued by the Offering will be subject to a hold period of four months plus one day.

Net Proceeds from the Offering will be used for general corporate purposes, to fund exploration of the Company's mineral properties in the Stewart area of northwestern British Columbia and to pay costs associated with the litigation on the Treaty Creek property. The first moneys raised will go towards payment of the $321,000 currently owed to American Creek Resources in regard to the Treaty Creek litigation.

The private placement is subject to the approval of the TSX Venture Exchange.

The appeal of the Treaty Creek litigation judgment was heard from March 9 to March 11, 2015 and a decision was reserved. It will be announced as soon as it is reported to the Company.
