Notes to Editors:

Diamond Fields Resources (“DFR”) is a TSX Venture Exchange listed exploration and mine development company with assets in Madagascar and Namibia. In Madagascar, DFR is developing the Beravina Project, an advanced high grade zircon exploration prospect located in the west of the country, approximately 220km east of the port of Maintirano and near a state road. In Namibia, International Mining and Dredging Holdings (Pty) Limited is undertaking an initial six month (non-continuous) offshore diamond mining program on DFR’s ML 111 licence area. The ML 111 concession has a ten year mining licence, effective until 4 December 2025, and lies within Luderitz Bay between Diaz Point in the south and Marshall Rocks in the north and at depths of 15 to 70 metres.
