I, Jeff White, do hereby certify that:

1. I am a Department Manager (Electrical and Instrumentation Engineering) with Amec Foster Wheeler located at Building No. 2, Silver Stream Business Park, 10 Muswell Road South, Bryanston, 2021, South Africa. This certificate applies to the technical report titled "Ilovica Gold-Copper Project Feasibility Study Technical Report" for Euromax Resources Ltd. dated 16th February 2016 (the "Technical Report").
2. I graduated with a BEng degree in Electrical Engineering from the University of Manchester, UK in 1989 and have practiced the profession of engineering since my graduation. I have been employed with Amec Foster Wheeler since 2010.
3. I am an engineer with 27 years of relevant experience in engineering, design, management and commissioning in both operations and projects. I am registered as a Professional Engineer with the Engineering Council of South Africa (Registration Number 20030109), a professional society as defined by NI 43-101.
4. I have read the definition of "qualified person" set out in National Instrument 43-101 *Standards of Disclosure for Mineral Projects* ("NI 43-101") and certify that by reason of my education, affiliation with a professional association (as defined in NI 43-101) and past relevant work experience, I fulfil the requirements of a "qualified person" for the purposes of NI 43-101.
5. I have not completed a site visit to the Ilovica Property.
6. I have reviewed sections 17.3.6 and 17.3.7 of the Technical Report.
7. I am independent from Euromax Resources Ltd. pursuant to Section 1.5 of NI 43-101.
8. I have had no prior involvement with the Ilovica Property that is the subject of this Technical Report. I have read NI 43-101 and Form 43-101F1 and the Technical Report has been prepared in compliance therewith.
9. As of the effective date of this Technical Report, to the best of my knowledge, information and belief, the Technical Report contains all scientific and technical information that is required to be disclosed to make the Technical Report not misleading.
10. I consent to the filing of the Technical Report with any stock exchange and other regulatory authority and any publication by them, including electronic publication in the public company files on their websites accessible by the public, of the Technical Report.

Effective Date: February 16th, 2016

Signed Date: February 18th, 2016

Jeff White, CEng, PrEng, BEng
