Vancouver, British Columbia (May 17, 2021) – **Boundary Gold and Copper Mining Ltd.** (“Boundary” or the “Company”) (TSXV:BDGC) (OTCQB:PRZFF) (MQS1:FRANKFURT) has begun its internal investigation into Lowell Schmidt, and his share positions. The Company has reason to believe unscrupulous trading patterns occurred as he is related to David Schmidt whom is part of an investigation by the British Columbia Securities Commission.

The Company believes Lowell Schmidt, a former investment advisor, is a known nominee for David Schmidt, who is holding multiple positions on his behalf, and trading on his recommendations. The Company has reason to believe David has been directing Lowell on multiple occasions on specific fundamental events that were material to the Company.

The Company would also ask the Securities Commission to explore the two men and other investments that may have been made by the two.
