Crew on site of Canasia's Flagship "Clone Gold Prospect"

Canasia Industries Corporation ("**Canasia**" **and the "Company"**) has been informed by the operator that crews have been mobilized at the Clone Gold property to initiate the 2010 summer drill program. Drilling is anticipated to begin in August. The Clone Gold prospect returned grades as high as 44.75 g/t Au over 12.80 metres (announced October 22, 2009). The Clone Gold Prospect is Canasia's flagship property.

Negar Adam, president of Canasia stated, "It is exciting to be nearing the commencement of the 2010 drill program on the Clone. Currently, this is Canasia's most important project and management is hopeful similar grades can be achieved this drill season that were intersected last season."
