

WILLOW BIOSCIENCES TO PRESENT AT THE EMERGING GROWTH CONFERENCE ON AUGUST 9

President and CEO Dr. Chris Savile to provide business update at event open to all investors

SUNNYVALE, Calif., Aug. 2, 2023 /CNW/ - Willow Biosciences Inc. ("**Willow**") (TSX: WLLW) (OTCQB: CANSF), a leading biotechnology company focused on revolutionizing industrial manufacturing of pure, consistent and sustainable functional ingredients announces that it will present at the upcoming Emerging Growth Conference August 8-9, 2023.

President and CEO Dr. Chris Savile will provide an update on Willow's business during a live virtual presentation at 2:55 p.m. Eastern Time on Wednesday, August 9. The live presentation is available for all investors.

RSVP: Please register [here](#) to ensure you are able to attend the conference and receive any updates on the company that are released.

If attendees are not able to join the live event on August 9, an archived webcast will also be available on the [EmergingGrowth.com](#) website and on the [Emerging Growth YouTube Channel](#) afterward.

About the Emerging Growth Conference

The Emerging Growth conference is an effective way for public companies to present and communicate their new products, services and other major announcements to the investment community from the convenience of their office, in a time efficient manner.

The Conference focus and coverage includes companies in a wide range of growth sectors, with strong management teams, innovative products & services, focused strategy, execution, and the overall potential for long term growth. Its audience includes potentially tens of thousands of Individual and Institutional investors, as well as Investment advisors and analysts.

About Willow Biosciences Inc.

Willow develops and produces precision fermented functional ingredients for the health and wellness, food and beverage and personal care markets.
