

Atlas Energy Reports Third Quarter 2025 Financial Results

CALGARY, Alberta, Nov. 14, 2025 -- **Atlas Energy Corp.** ("**Atlas**" or the "**Company**") (TSXV: ATLE), a TSXV Sandbox issuer, is pleased to announce its unaudited consolidated interim financial statements and related management's discussion and analysis ("MD&A") for the quarter ended September 30, 2025, are available on the Company's SEDAR+ profile at www.sedarplus.ca.

"The recent moderation in global oil prices and emerging forecasts for a potential oversupply in 2026 have added to an already constructive environment for disciplined capital deployment. These market dynamics have contributed to a meaningful expansion of Atlas's deal pipeline over the last few months and strengthened the visibility of near-term actionable opportunities", said Mark Hodgson, Atlas Energy's President and Chief Executive Officer. "Within this context, Atlas remains focused on acquiring and partnering on high-quality, top-tier assets operated by industry leaders—investments that are expected to deliver robust cash flow while positioning the portfolio for sustained long-term value creation."

About Atlas Energy Corp.

Forward-Looking and Cautionary Statements

This news release contains forward-looking statements and forward-looking information within the meaning of applicable securities laws. The use of any of the words "expect", "anticipate", "continue", "estimate", "objective", "ongoing", "may", "will", "project", "should", "believe", "plans", "intends" and similar expressions (including negatives and variations thereof) are intended to identify forward-looking information or statements. More particularly and without limitation, this news release contains forward-looking statements and information concerning: the business plan of the Company; and the Company's ability to meet the TSXV Sandbox exit conditions. The forward-looking statements and information are based on certain key expectations and assumptions made by the Company, including expectations and assumptions concerning TSXV and regulatory approvals and the ability of the new management team to implement the corporate strategy of the Company. Although the Company believes that the expectations and assumptions on which such forward-looking statements and information are based are reasonable, undue reliance should not be placed on the forward-looking statements and information because the Company can give no assurance that they will prove to be correct. By its nature, such forward-looking information is subject to various risks and uncertainties, which could cause the actual results and expectations to differ materially from the anticipated results or expectations expressed. These risks and uncertainties, include, but are not limited to, the parties being unable to obtain the required TSXV approvals, fluctuations in commodity prices, changes in industry regulations and political landscape both domestically and abroad, foreign exchange or interest rates, stock market volatility, the imposition or expansion of tariffs imposed by domestic and foreign governments or the imposition of other restrictive trade measures, retaliatory or countermeasures implemented by such governments, including the introduction of regulatory barriers to trade and the potential effect on the demand and/or market price for the oil and gas production and/or otherwise adversely affects the Company, the availability of investment opportunities meeting the new management team's investment criteria, the retention of key management and employees and obtaining required approvals of regulatory authorities. The foregoing list is not

exhaustive. Please refer to the MD&A and the Company's listing application dated June 17, 2025, for discussion of additional risk factors relating to Atlas, which can be accessed on its SEDAR+ profile at www.sedarplus.ca. Readers are cautioned not to place undue reliance on this forward-looking information, which is given as of the date hereof, and to not use such forward-looking information for anything other than its intended purpose. The Company undertakes no obligation to update publicly or revise any forward-looking information, whether as a result of new information, future events or otherwise, except as required by law. All dollar figures included herein are presented in Canadian dollars, unless otherwise noted.

Neither the TSX Venture Exchange nor its Regulation Services Provider (as that term is defined in the policies of the TSX Venture Exchange) accepts responsibility for the adequacy or accuracy of this news release.
