BOARD OF DIRECTORS

Article 9

9.1 - The Company shall be managed by a Board of Directors consisting of not less than seven and not more than nineteen members, at least one third of whom shall be of the less represented gender, rounding any fractions up to the next whole number. The Shareholders' Meeting shall establish the number of members of the Board of Directors, which shall remain unchanged until a different number is established.

9.2 - The Board of Directors shall be appointed, in accordance with the applicable laws and regulations, on the basis of slates presented by the shareholders or by the outgoing Board of Directors.

9.3 - Each shareholder may present or participate in the presentation of only one slate and each candidate may appear on only one slate on pain of ineligibility. The slates must ensure the presence of candidates who fulfil the requirements of independence established by Article 148 of Legislative Decree 58/1998 and/or the Corporate Governance Code for listed companies, in such a way that at least one half of the members chosen from each slate, at the outcome of the vote, possesses such requirements. Slates that contain a number of candidates greater than or equal to three must also ensure that both genders are present, in such a way that candidates of the less represented gender are at least one third of the total. For the purpose of applying the independence and gender requirements, fractions will be rounded up to the nearest whole number.

9.4 - Slates may be submitted only by shareholders who alone or together with other shareholders hold a total number of shares representing at least 0.5% (or such lower amount established by Consob regulations) of the share capital entitled to vote at the Ordinary Shareholders' Meeting.

9.5 - Together with each slate, it is necessary to file individual candidates' acceptance of their candidacy and declarations in which they attest, on their own responsibility, that there are no grounds for ineligibility or incompatibility, and that they meet any requirements, as well as any other information requested by applicable law or regulation or the bylaws. Together with the declarations, a curriculum vitae shall be filed for each candidate setting out their main personal and professional data with an indication of the positions held in management and control bodies of other companies and of the grounds for their qualifying as independent in accordance with the criteria established by law and the Company. Any changes that occur up to the day the Shareholders' Meeting is held must be promptly notified to the Company.

9.6 - Each person entitled to vote may vote for only one slate.

9.7 - The Board of Directors shall be elected as specified below:

- a) from the slate which has obtained the majority of the votes (the so-called Majority Slate) two thirds of the Directors to be elected shall be chosen from the slate that obtains the majority of the votes (the Majority Slate), in the order in which they are listed on the slate, rounding any fractions down to the nearest whole number. At least one half of the Directors chosen from the Majority Slate (with fractions rounded up to the nearest whole number) must possess the independence requirements envisaged in art. 148 of Legislative Decree 58/1998 and/or the Corporate Governance Code for listed companies; if this is not the case, the last candidate chosen from the Majority Slate who does not fulfil such requirements shall be replaced by the first of those not elected from the same slate who possesses these requirements. In the absence of independent candidates on the Majority Slate in sufficient number to proceed with the replacement, the Shareholders' Meeting shall supplement the board with the majorities required by law, thus ensuring that the requirement is met;
- b) without prejudice to compliance with the applicable laws and regulations concerning the

limits to the link with the Majority Slate, the remaining directors shall be taken from the other slates; to that end, the votes obtained by the various slates shall be divided successively by whole numbers from one up to the number of directors to be chosen. The quotients obtained shall be assigned to the candidates on each slate in the order specified thereon. On the basis of the quotients assigned, the candidates on the various slates shall be arranged in a single decreasing ranking. Those who have obtained the highest quotients shall be elected, provided that at least one half of the candidates chosen from each slate (with fractions rounded up to the nearest whole number) possesses the independence requirements envisaged in art. 148 of Legislative Decree 58/1998 and/or the Corporate Governance Code for listed companies, proceeding, if this is not the case, to replace the last candidate elected who does not fulfil such requirements with the first of those not elected from the same slate who possesses these requirements. In the absence of independent candidates on the Majority Slate in sufficient number to proceed with the replacement, the candidates with the next largest number of votes and fulfilling the independence requirements, according to the order as per the single ranking as set forth above, shall be elected. If this is not the case, the Shareholders' Meeting shall supplement the board with the majorities required by law, thus ensuring that the requirement is met. If more than one candidate obtains the same quotient, the candidate from the slate that has not yet elected any director or that has elected the smallest number of directors shall be elected.

If none of such slates has yet elected a director or all of them have elected the same number of directors, the candidate from the slate that obtained the largest number of votes shall be elected. If the different slates have received the same number of votes and their candidates have been assigned the same quotients, a new vote shall be held by the entire Shareholders' Meeting and the candidate obtaining the simple majority of the votes shall be elected.

If the composition of the resulting board does not reflect gender balance, taking into account their ranking order on the slate, the necessary number of the last candidates of the more represented gender elected from the Majority Slate shall forfeit their post to ensure compliance with this requirement, and shall be replaced by the first candidates not elected from the same slate who are of the less represented gender. In the absence of candidates of the less represented gender on the Majority Slate in sufficient number to proceed with the replacement, the Shareholders' Meeting shall supplement the board with the majorities required by law, thus ensuring that the requirement is met. The elected members of the more represented gender who possess the independence requirements specified by Article 148 of Legislative Decree no. 58/1998, and/or the Corporate Governance Code for listed companies, shall in all cases be replaced with nominees who similarly possess these requirements.

9.8 - In appointing directors who for any reason have not been appointed pursuant to the procedure specified above, the Shareholders' Meeting shall vote on the basis of the majorities required by law, ensuring that the requirements of the law and the Bylaws regarding the composition of the board are respected.

9.9 - If in the course of the financial year one or more vacancies occur on the Board, the procedure specified in Article 2386 of the Civil Code shall be followed, ensuring that the requirements of the law and the Bylaws regarding the composition of the board are respected.

9.10 - Should a majority of the seats on the Board of Directors become vacant for any cause or reason, the remaining directors shall be deemed to have resigned and they shall cease to hold office from the time the Board of Directors has been reconstituted by persons appointed by the Shareholders' Meeting.

9.11 - At the first renewal of the Board of Directors after the Shareholders' Meeting of 15 May 2012, the quota to be assigned to the less represented gender is limited to one fifth of the total, rounding any fractions up to the nearest whole number.

17.3 - The appointment of the Board of Statutory Auditors shall be in compliance with the applicable laws and regulations on the basis of slates presented by shareholders.

17.4 - Each shareholder may present or participate in the presentation of only one slate and each candidate may appear on only one slate on pain of ineligibility.

17.5 - Slates may be submitted only by shareholders who alone or together with other shareholders hold a total number of shares representing at least 0.5% (or such lower amount established by Consob regulations for the appointment of the Board of Directors) of the voting share capital.

17.6 - Together with each slate, it is necessary to file individual candidates' acceptance of their candidacy and declarations in which they attest, on their own responsibility, that there are no grounds for ineligibility or incompatibility, and that they meet the requirements, as well as any other information requested by applicable law or regulation or the bylaws

17.7 - Together with the declarations, a curriculum vitae for each candidate shall be filed setting out their main personal and professional data, with an indication of the positions held in management and control bodies of other companies. Any changes that occur up to the day the Shareholders' Meeting is held must be promptly notified to the Company.

17.8 - The slates shall be divided into two sections: one for candidates to the position of standing auditor and the other for candidates to the position of alternate auditor. Slates which in one or both sections contain three or more candidates must ensure the presence of both genders in said section, so that candidates of the less represented gender are at least one third of the total, rounding any fractions up to the next whole number. If more than one candidate obtains the same quotient, the candidate from the slate that has not yet elected a statutory auditor shall be elected or, subordinately, there shall be a tiebreaker vote by the entire Shareholders' Meeting and the candidate who obtains the simple majority of the votes shall be elected.

If the composition of the resulting board or category of alternate auditors does not reflect the gender balance, taking into account their ranking order in the respective sections, the necessary number of the last candidates of the more represented gender elected from the Majority Slate shall forfeit their position to ensure compliance with this requirement, and shall be replaced by the first unelected candidates of the less represented gender on the same slate and the same section. In the absence of candidates of the less represented gender in the relevant section of the Majority Slate in sufficient number to proceed with the replacement, the Shareholders' Meeting shall appoint the standing or alternate auditors that are missing with the majorities required by law, ensuring that the requirement is met.

17.11 - The Shareholders' Meeting shall appoint the Chairman of the Board of Statutory Auditors from among the standing auditors elected from Minority Slates.

17.13 - In the event of the termination of the appointment of statutory auditors chosen from the Majority Slate or from one of the Minority Slates, alternate auditors chosen respectively from the Majority Slate or the Minority Slates shall take their place in declining order of age, always in compliance with the requirements of the Bylaws regarding the composition of the board. Appointments to fill vacancies on the Board of Statutory Auditors pursuant to Article 2401 of the Italian Civil Code shall be approved by the Shareholders' Meeting with the affirmative vote of the absolute majority of those voting and in compliance with the principle of the necessary representation of the minority shareholders, and of the requirements of the Bylaws regarding gender balance. In the event of the termination of the appointment of a statutory auditor chosen from the Minority Slates the principle of the necessary representation of the minority shareholders shall be deemed to be complied with in the event of the appointment of an alternate auditor chosen from the Minority Slates.

17.14 - After notifying the Chairman of the Board of Directors, the Board of Statutory Auditors, may call, as provided for by law, a Shareholders' Meeting or a meeting of the Board of Directors or the Executive Committee. This power to call meetings may be exercised individually by each statutory auditor, except for the power to call a Shareholders' Meeting, which must be exercised by at least two statutory auditors.

17.15 - Participation in the meetings of the Board of Statutory Auditors may – if the Chairman verifies the necessity – be by means of telecommunication techniques that permit participation in the discussion and informational equality for all those taking part.
